I'd really like a pet.
If I could have pet,
I'd choose a dog.

And if I did have a dog
I'd call him Rod.

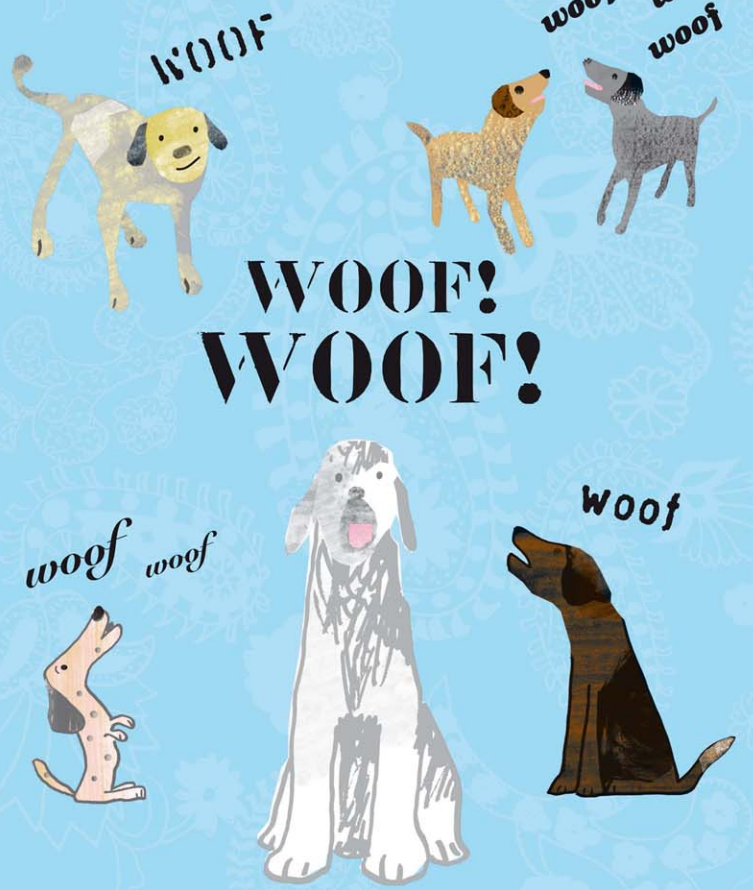

Dad says,
"The fun of having a pet to look after soon wears off."

But I'm 100% sure that it wouldn't with me.

I'd teach him to play the keyboard and we'd sing songs together.

Dad says, **"Dogs are very, very noisy!"**

Rod isn't.

Rod likes reading and sticking things in my scrapbook, and quiet things like that.
