I'd really like a pet.
If I could have pet,
I'd choose a dog.

And if I did have a dog
I'd call him Rod.

Dad says,
**"The fun of
having a pet to
look after soon
wears off."**

But I'm 100% sure that
it wouldn't with me.

I'd teach him to play
the keyboard and we'd
sing songs together.

Dad says, "Dogs are very, **very** noisy!"

Rod isn't.

Rod likes reading and sticking things in
my scrapbook, and quiet things like that.
