Animals in the zoo

1 Someone starts by saying:

2 The next person has to think of an animal that starts with the last letter of the animal that's been said.

3 They repeat the phrase, naming both animals:

4 Take it in turns to add animals, without repeating any.

5 Continue until someone can't think of an animal that follows on.

Beach target game

You need to be on a sandy beach to play this game.

1 Draw a line in damp sand with a stick. Find a smooth pebble for each person.

2 Six steps from the line, draw a small circle in the sand. Add a larger circle around it, then two more circles, like this:

3 Stand behind the line and take it in turns to throw a pebble onto the circles. You get points as follows:

Keep score in the sand:
Fiona 𝍸 Bex 𝍸 |||
Write five like this: 𝍸

4 The first to 20 points wins.

Variation

If you're on your own, keep trying to beat your highest score.

Big fat spiders

1. Someone starts the game by asking someone else a simple question, such as:

2. The other person replies:

Try not to laugh. If anyone laughs, they're out.

3. Someone else asks another question...

4. ...and the next person says:

Everyone has to keep trying not to laugh.

5. Keep taking it in turns to ask questions. Each time, someone else has to answer "Big fat spiders!".

The last person to laugh is the winner.
