Man on the Moon

(a day in the life of Bob)

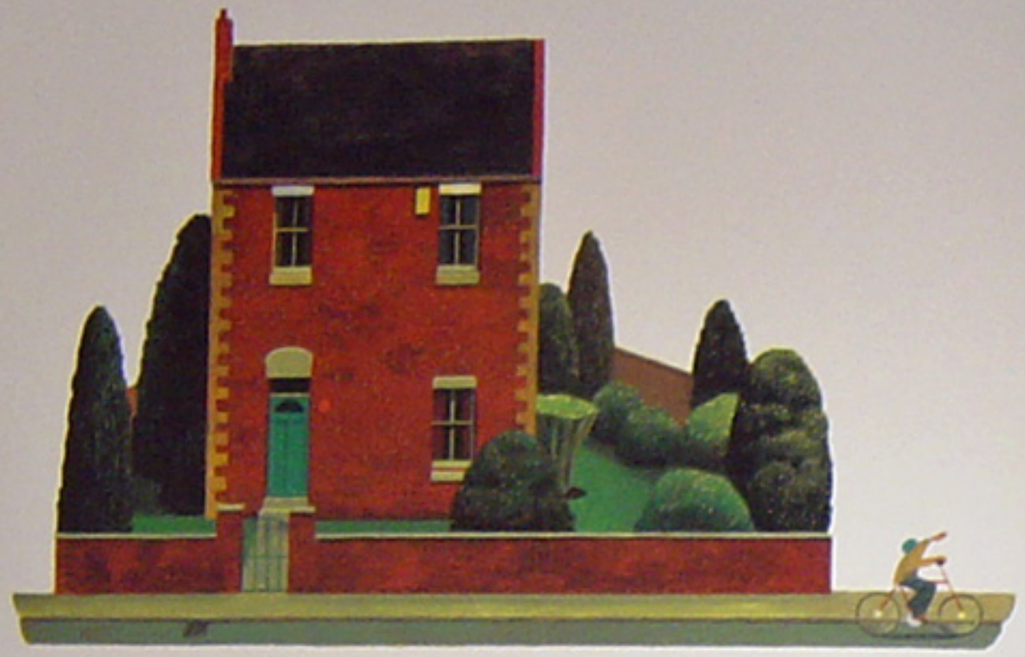

Simon Bartram

templar publishing

This is **Bob**. Perhaps you've heard people talk of him. You may know him better as the **Man on the Moon**.

This is where Bob lives. Every morning he rises at six o'clock. He has a cup of tea and two eggs for breakfast, before leaving for the rocket launch-pad. On the way he stops to buy a newspaper and some chocolate toffees.

He's on his way to work...

...on the MOON!
