# The Giraffe

This easy model is great to get you started.

## You Will Need:

- 1 long yellow balloon
- mini marker pen from kit
- a brown marker pen

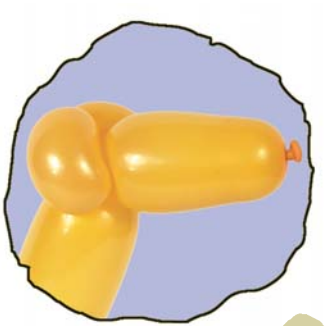

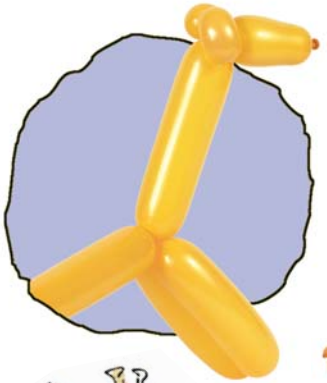

## Step 1

**Nose**: Inflate the balloon to 75 cm. Twist a 9 cm bubble at the knotted end. **Right Ear**: Twist a 4 cm bubble. Fold it back to the head and **ear-twist** the two together.

## Step 2

**Left Ear**: Twist another 4 cm bubble for the second ear. Bend this back in the same way as for the first, and **ear-twist** it in place behind the **nose**.

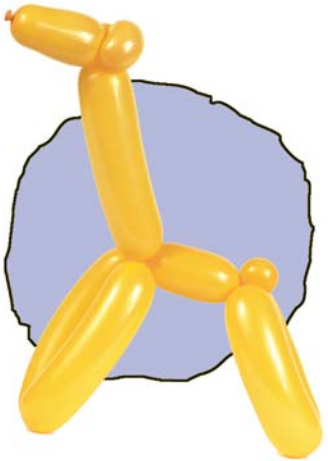

## Step 3

**Neck**: Twist one 17 cm bubble. **Legs**: Twist two 10 cm bubbles for the front legs. **Lock-twist** the legs together.

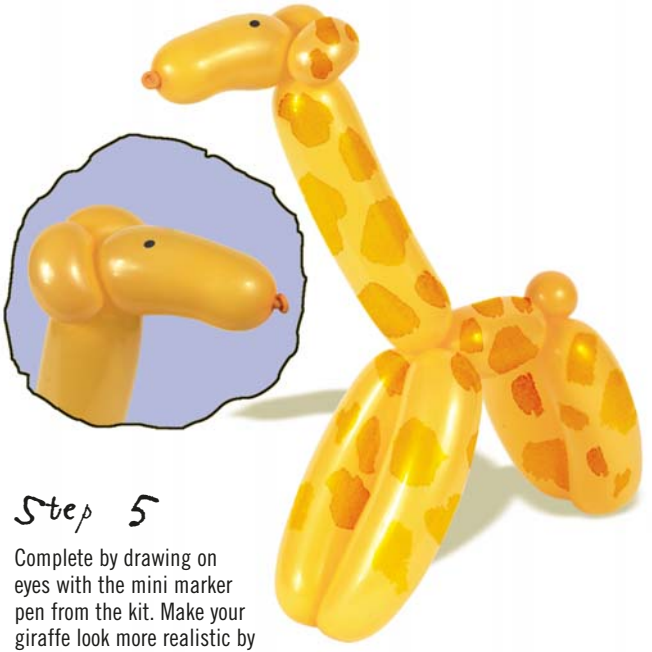

## Step 4

**Body**: Twist a 6 cm bubble. **Back Legs**: make two 8 cm bubbles for the **back legs** and **lock-twist** them together. **Tail**: Formed by the remaining 8 cm of balloon.

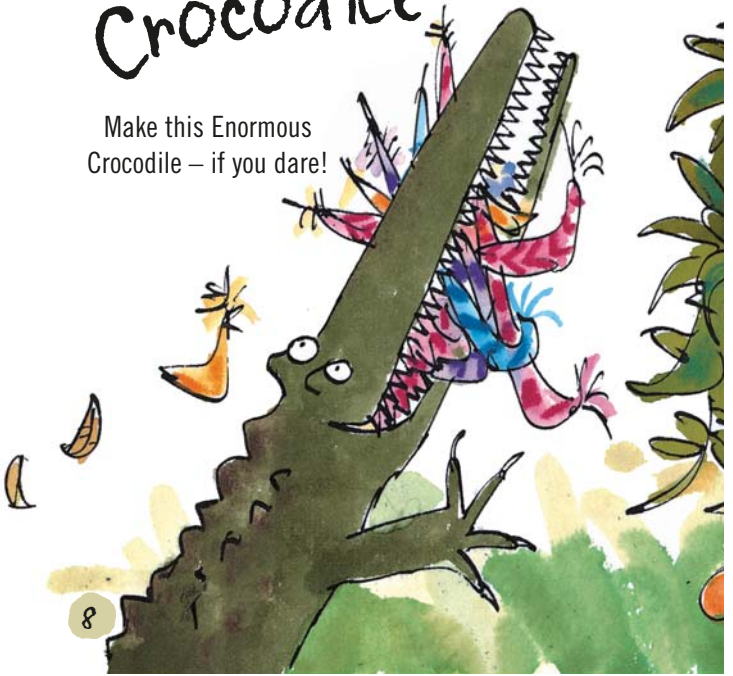

## Step 5

Complete by drawing on eyes with the mini marker pen from the kit. Make your giraffe look more realistic by drawing on patches with a brown marker pen.

# The Enormous Crocodile

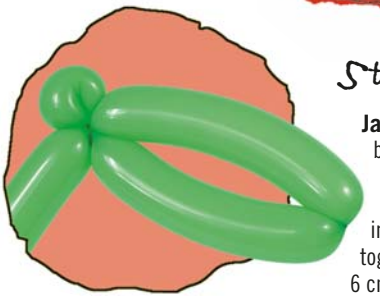

Make this Enormous Crocodile – if you dare!

## You Will Need:

- 2 long green balloons
- 1 long white balloon
- mini marker pen from kit

## Step 1

**Jaws**: Inflate a long green balloon leaving a 6 cm tip and make two 25 cm bubbles. Twist the knot in to join the bubbles together. **Neck**: Make a 6 cm **ear-twist.**

## Step 2

**Neck**: Make two 8 cm bubbles and **lock-twist** them together. **Knobbles**: Twist three small bubbles and push them in-between the previous two **lock-twisted** bubbles. The remaining balloon forms one part of the body.
