One World

ANDERSEN PRESS

One sky
One sun
One moon
One world

A little girl stood still at the edge of the world and looked up at the sun.
She watched it go down at the end of the day.

That night, she watched the moon rise and the stars come out.

And as she watched, she thought of all the creatures who lived under the sky,

the animals who shared the warmth of the sun and bathed in the soft, silver light of the moon.
