Chapter One

Once upon a time there lived
a good and wise king.

He had seven beautiful daughters
and he loved them all very much.

One sunny afternoon the youngest
princess had nothing much to do,
so she went for a walk in the woods.

She sat down beside a stream
and began to play with her
favourite toy, a little golden ball.

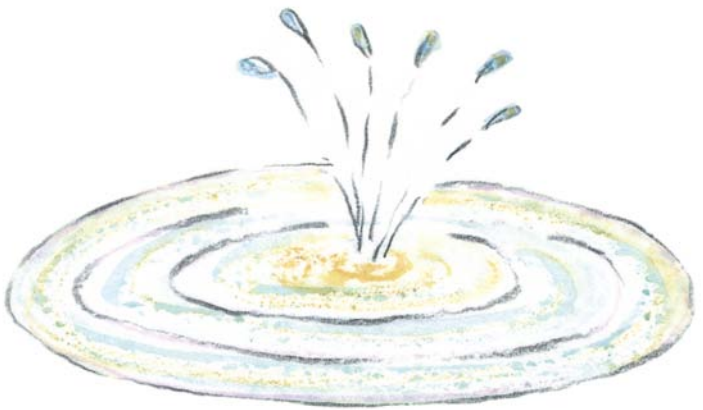

She threw it high into the air.

She loved to see the way
it sparkled in the sunlight.

But she threw it too high
and it fell into the stream
with a splash.

The princess leaned over
the water's edge, trying
to get it back, but it
was no good.

She started to cry.
