and Gabby Grant

Picture Kelpies

There once were two puffins who lived on a rock;
Harris was happy, but Lewis was not.

At dinnertime, Lewis complained with a sigh,
“I hate eating fish, and these cliffs are too high.

The waves make me seasick, the wind makes me spin,
I’m hopeless at flying – I just don’t fit in.”

As Harris sat thinking his brother was strange, Lewis decided he needed a change.

He thought very hard about jobs he might do...

A postman?

A teacher?

A guide at the zoo?

Perhaps he could open a shop and sell sweets...
