12 Christmas kings

Make this fabulous headwear... for a nativity play, or to wear at the Christmas table.

1 Cut a strip of card about 4cm deep and long enough to go around your head. Fold in half lengthways and crease.

2 Try it on to see where you need to tape it shut for a good fit. Mark the overlap. Now unfold and mark the main part into 5 equal sections.

3 Cut strips of the paper about 2cm x 15cm (you may need to experiment). Decorate if you wish. Tape to the inside from one mark to another, keeping the ends just above the crease line.

4 Fold up the lower half of the band, hiding the tape. Tape into a headband. Add decorations to the band if you wish.

You will need:

- strong paper
- sticky tape
- decorations such as stickers (from the middle of the book) or cut-outs
