Super Table Settings

Maggie and Rose love setting the table so they can make it look fabulous for Christmas dinner. They have invented pretty placemats and napkin rings that will make the table look very, very merry!

STUFF TO USE

- Cake boards
- Old Christmas ribbon
- Scissors
- Glue

Pretty Placemats

1. Cut lengths of ribbon to cover the cake board, making sure each strip is long enough to go over the edges.

2. Cover the board in glue. This bit is messy but fun!

3. Stick strips of ribbon to the board in a criss-cross pattern.

4. Once you have completely covered the board, leave to dry.

Pretty Napkin Rings

1. Cut the toilet rolls into thick rings about 10cm wide. Make one ring per person.

2. Cover the rings in glue and wrap around strips of ribbon. Leave to dry.

3. Tie a Christmas decoration to each ring with raffia.

4. Put a rolled napkin through each ring and lay one next to every placemat.
