He started to look for some food.

On Monday
he ate through
one apple.
But he was still
hungry.

On Saturday
he ate through
one piece of
chocolate cake, one ice-cream cone, one pickle, one slice of Swiss cheese, one slice of salami,

one lollipop, one piece of cherry pie, one sausage, one cupcake, and one slice of watermelon.

That night he had a stomachache!

he was a beautiful butterfly!
