two crocodiles!

The illustration shows three fish, each depicted as a light brown, dome-shaped head with a small eye and a simple mouth. They are arranged vertically against a light blue background. Each fish is blowing a trail of bubbles that curves upwards and to the left. The bubbles are small circles with light blue outlines and white centers. A dark blue wavy line on the left side of the page suggests the water's surface. The text 'These three blow' is positioned between the top and middle fish, and 'bubbles underwater...' is between the middle and bottom fish.
