Chapter 1

WELCOME
to
Mixtopia!

Mixtopia is a magical land where you should expect the unexpected. A scruffy little witch called Emerald lives there with her trusty toad, Boris, and they think it's the best place in the world . . .

What else is flying in the sky?

Design your own patterns on the trees

Draw a tiny unicorn by the trees

Add more toadstools and flowers

What's that in the river?

What

here?

Flying overhead, Emerald spies the Royal Castle, where her best friend, Princess Sapphire, lives. Next door is a small cottage. Emerald sighs happily. "Home, sweet home!"

Putting her broomstick away neatly in the shed,
Emerald gives her cauldron a stir.
“Hmm, needs more eye of newt, I think,”
she says, popping one in.

A vile smell comes from the concoction but
Emerald doesn't mind. Suddenly, she notices
a big, fat envelope propped up on the table . . .

Emerald opens the envelope and her hair sparks with surprise. Inside is a very posh invitation. "Quick Boris, let's show Sapphire," says Emerald.

What can you see in the mirror?

Emerald and Boris crash through Princess Sapphire's open bedroom window.

What else is on the dressing table?

What colour is Sapphire's nail varnish?

Is the rug patterned or plain?

"Now look what you've done, Em!" cries Sapphire, jumping out of her lovely skin. "I've smudged a bit."

More sound effects please!

CRASH!

“Never mind that,”
says Emerald. “Look!”
“Snap!” cries Sapphire. “I’m so excited.
I just can’t decide what to wear . . .”

Emerald looks at Sapphire's messy bedroom. "Your mum's going to kill you," she says.
