You'll need these...

DRAWING TOOLS

These are the 3 tools

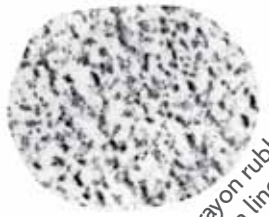

that Nikalas and Tim have used to create the artwork in this book.

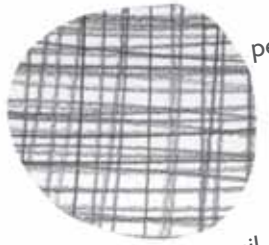

Using different tools helps create great drawings

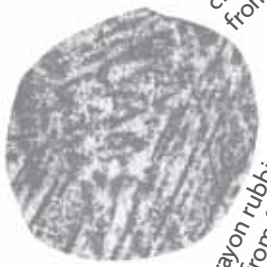

texture page

crayon rubbing from lino floor

pen zigzags

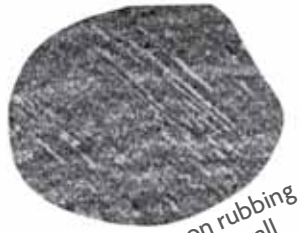

cross-hatching pencil

crayon rubbing from floor

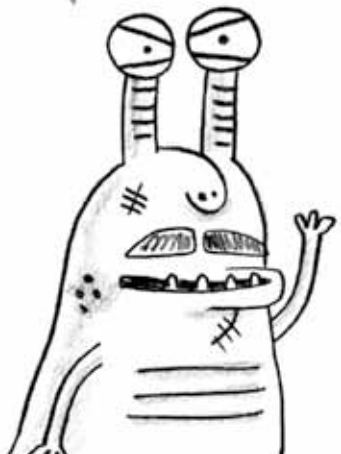

pencil rubbing from wooden door

scribbly pencil

There are loads of ways you can add texture to your artwork. Here are a few examples

crayon rubbing from wall

pencil dashes

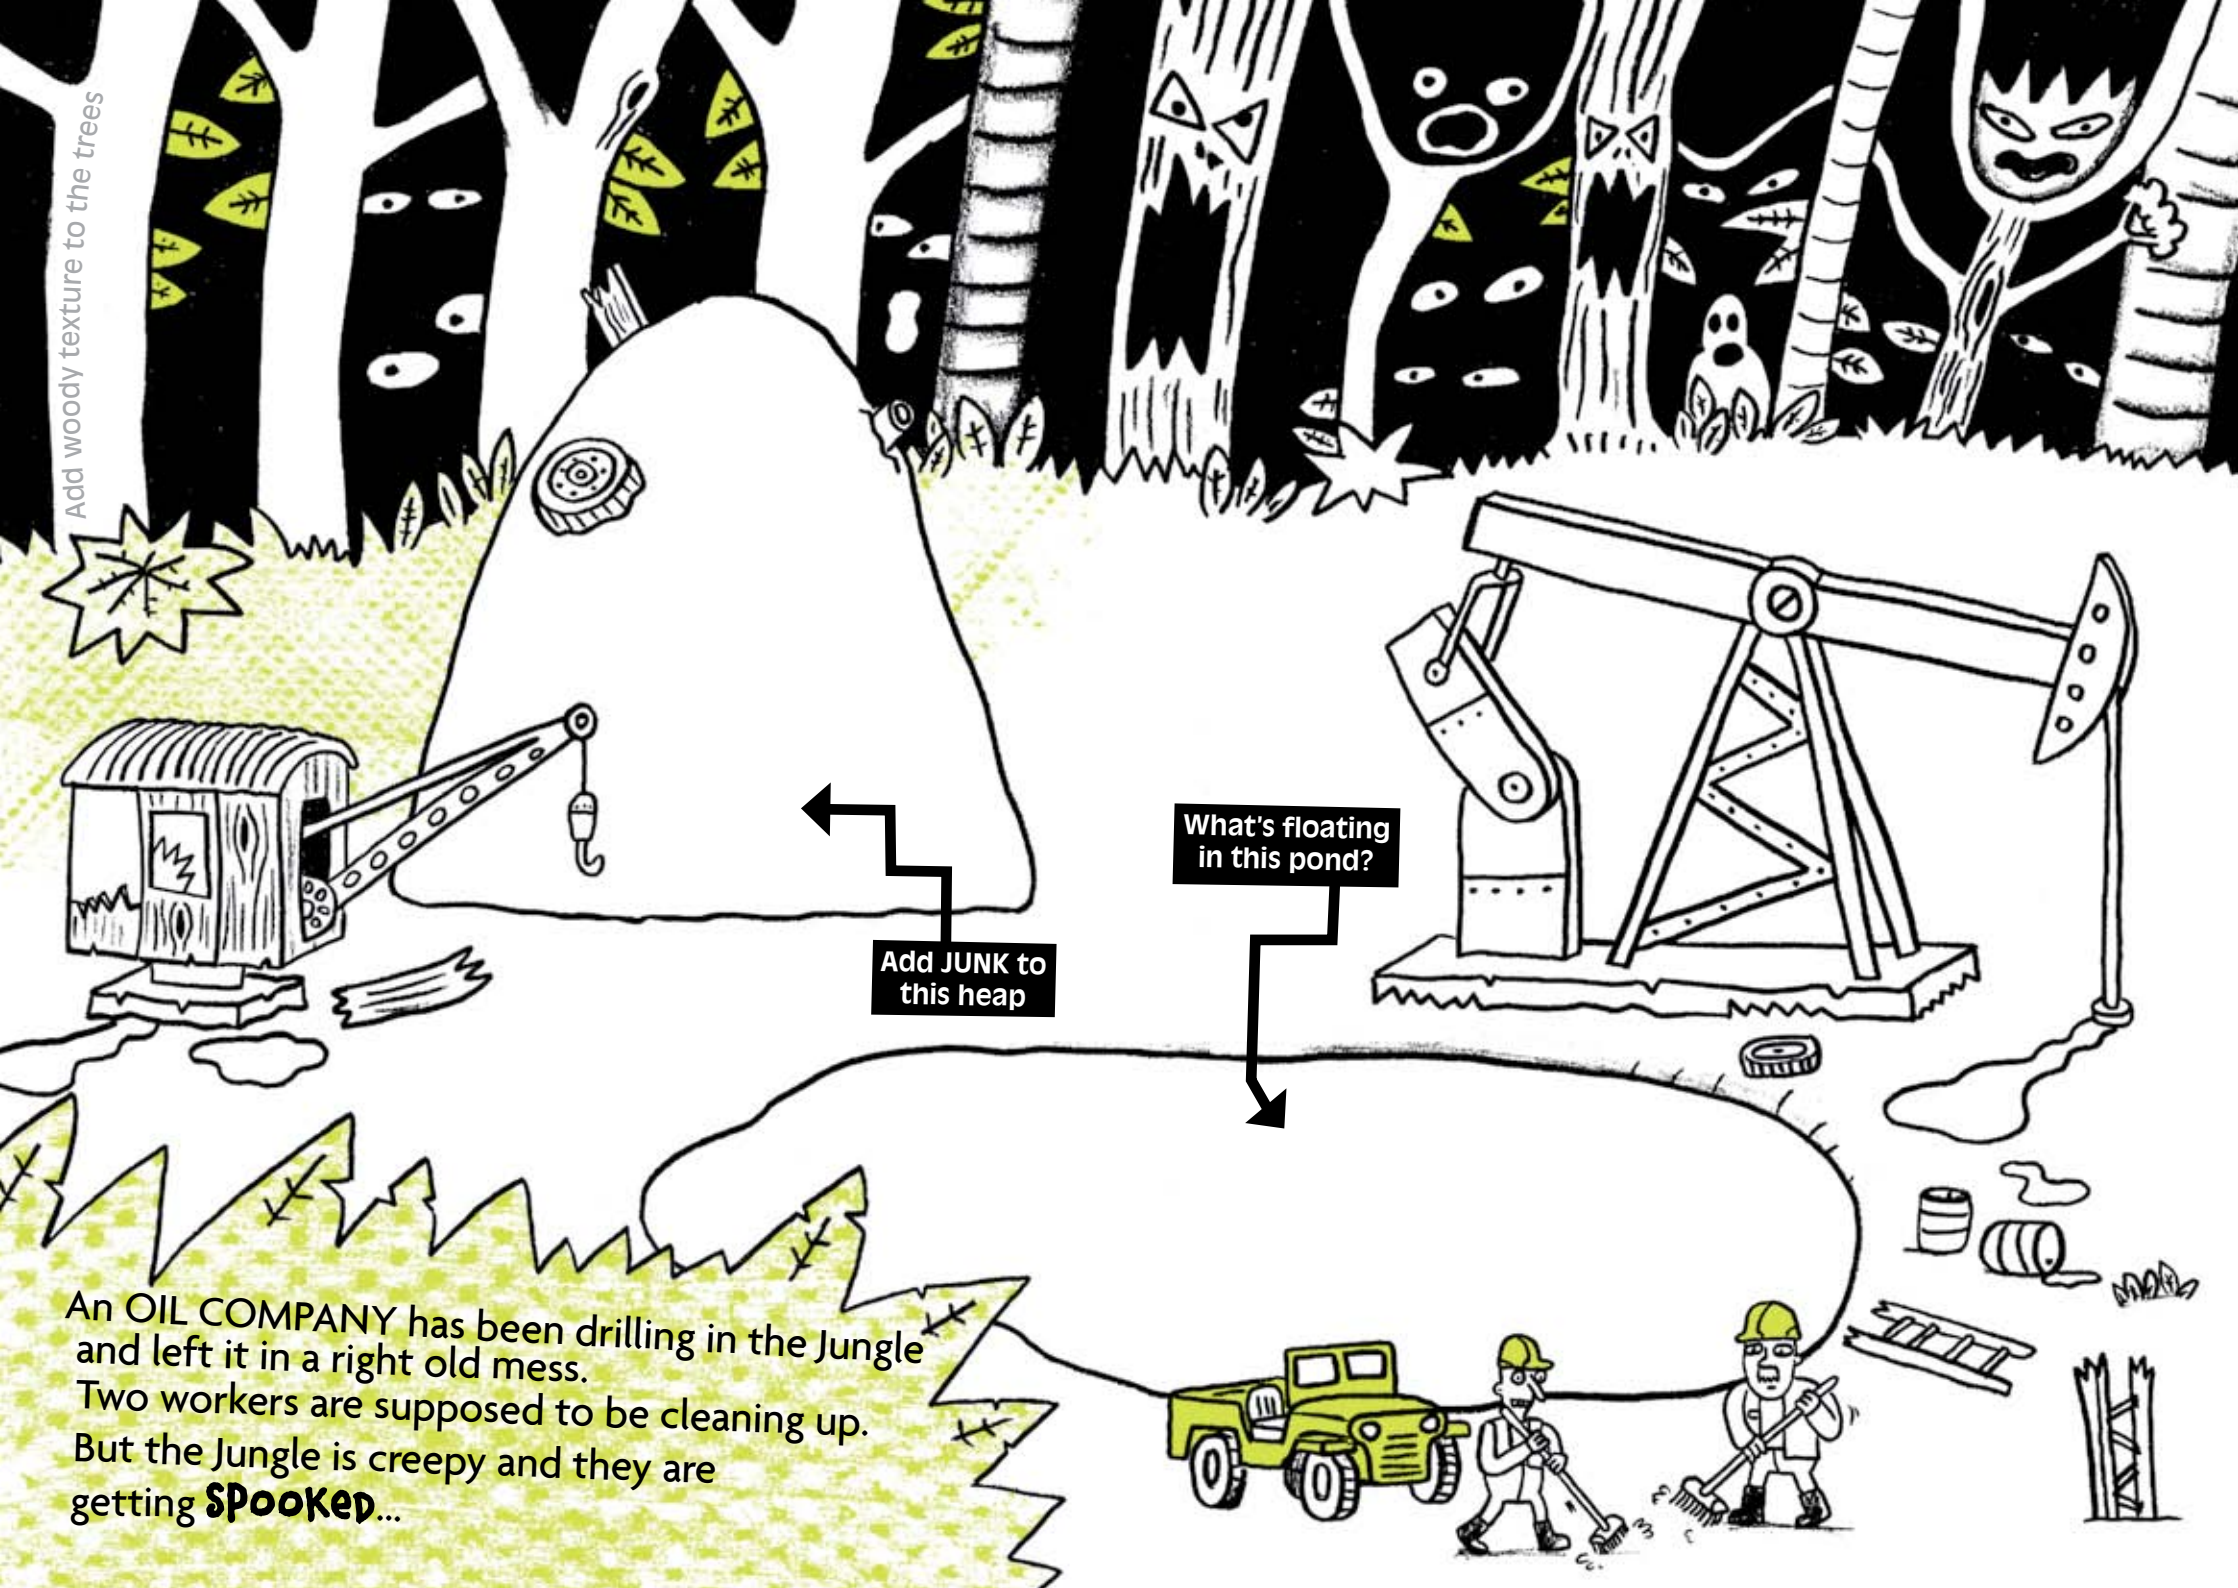

pen circles

DRAWING TIP!
Turn to the back of the book for ideas on stuff you might want to draw in this adventure

Chapter 1
A Toxic Goo Brew...

An OIL COMPANY has been drilling in the Jungle and left it in a right old mess.
Two workers are supposed to be cleaning up.
But the Jungle is creepy and they are getting **SPOOKED**...

He sounds rather scared

AARGH!

Draw a ferocious bear!

What does this label say?

TOXIC

Add a toxic sign

Suddenly, a twig SNAPS and out of the undergrowth comes a **HUGE BEAR**! The scaredy-cat workers FLEE IN PANIC, leaving an overturned barrel dripping **toxic goo** into a strange-looking pool...

Add more blobby mutations to the toxic goo

Draw a slug doing backstroke

Some small slugs slither curiously towards the foul-smelling pool. But OOPS, they slip-slide in!

The slime **bubbles** furiously...

...and the tiny creatures turn into GIANT SLUGS!
They ooze TOXIC SLIME and they are **EVIL**.

Draw your own evil GIANT SLUG!

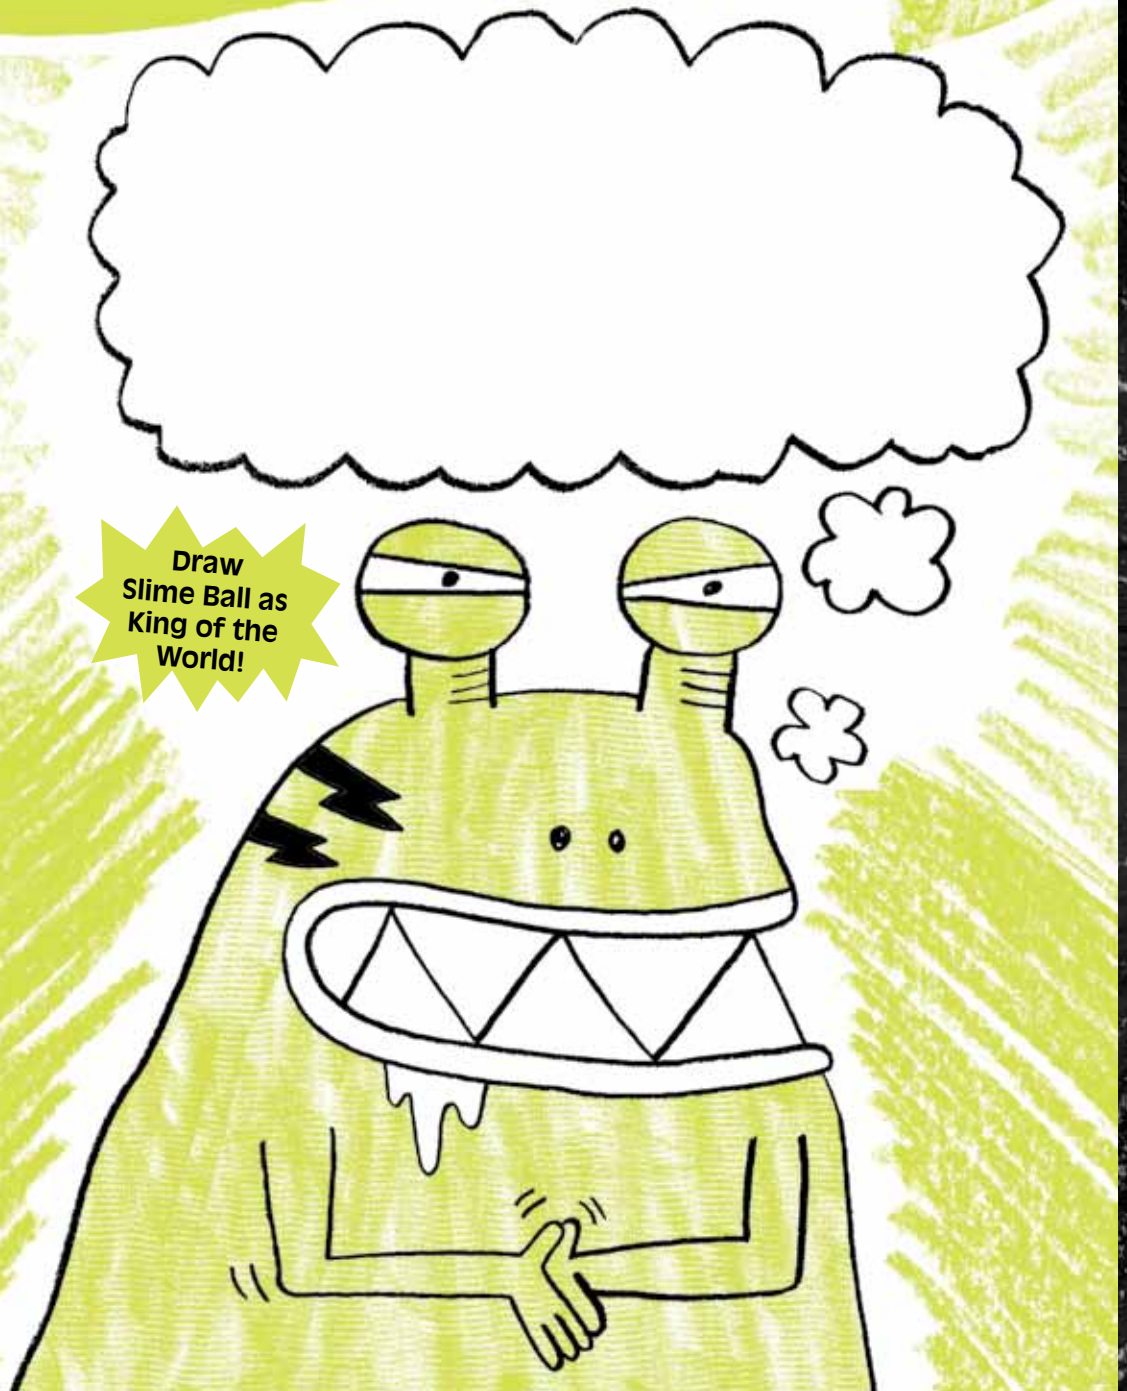

One Giant Slug declares himself leader.

"I am **SLIME BALL**," he roars, crazed with ambition. "Who wants to join me and TAKE OVER THE WORLD?"

Design a poster for Slime Ball's evil gang!

"We do!" cry four revoltingly ugly Giant Slugs.
"And we will use our new super-weapon:
TOXIC SNOT!"
What colour is STICKY COLIN's snot?
YIKES! What's in BIG SUZY's toxic snot?
OOPS! OOZY BOB has sneezed his own brains out!
What does GLOOP's snot do to that car?

"World domination here we come!" cackles Slime Ball.
"And **NO ONE** can stop us..."

Chapter 2
Operation Slime Time
