# 10 Penguin pals

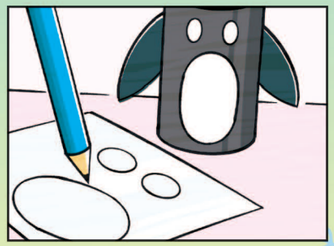

Make loads!

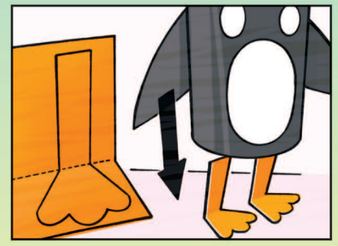

1 On black card, measure a rectangle 10cm x 20cm and cut it out. Curl into a tube and tape shut.

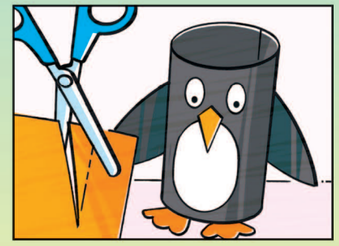

2 To make the wings, cut a 10cm square of black card and fold it in half. Draw wings as shown on the fold and cut out.

3 Glue wings in place. Draw the belly and eye shapes on white paper and cut them out. Glue in place.

4 On orange or yellow card, draw feet as shown with a thin tab. Crease as shown so you can glue the tab inside the tube and the feet stand flat.

5 Cut a thin orange or yellow triangle for the beak and glue it on. Use marker pen to add details to the eyes.

**You will need:**

- thin card in black and orange or yellow
- white paper
- glue and sticky tape
- black marker pen
