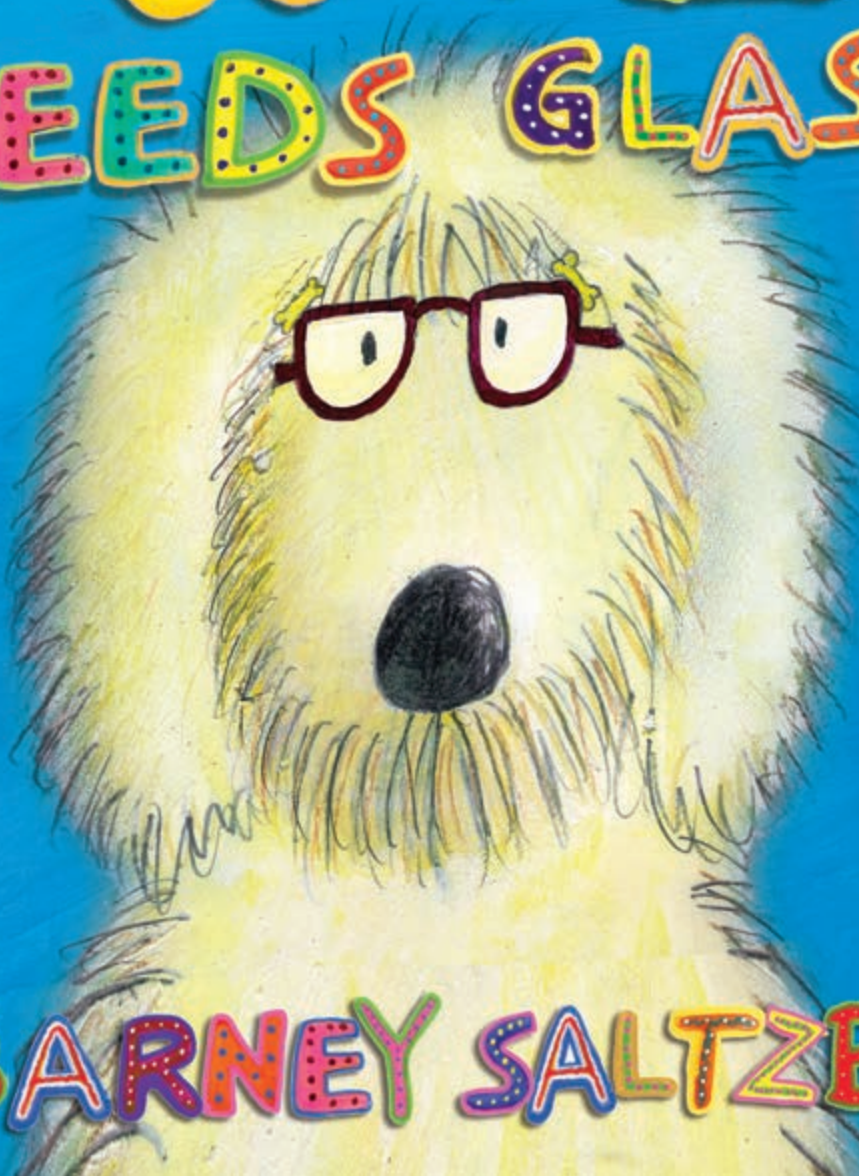
ARLO NEEDS GLASSES



BARNEY SALTZBERG

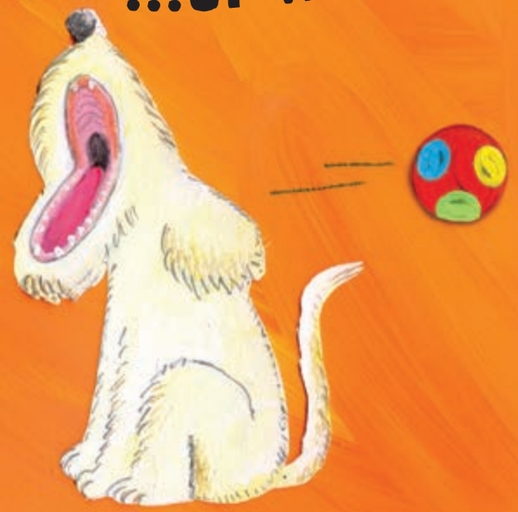
But one day, Arlo couldn't catch anymore.

Every time I threw the ball...

...it flew

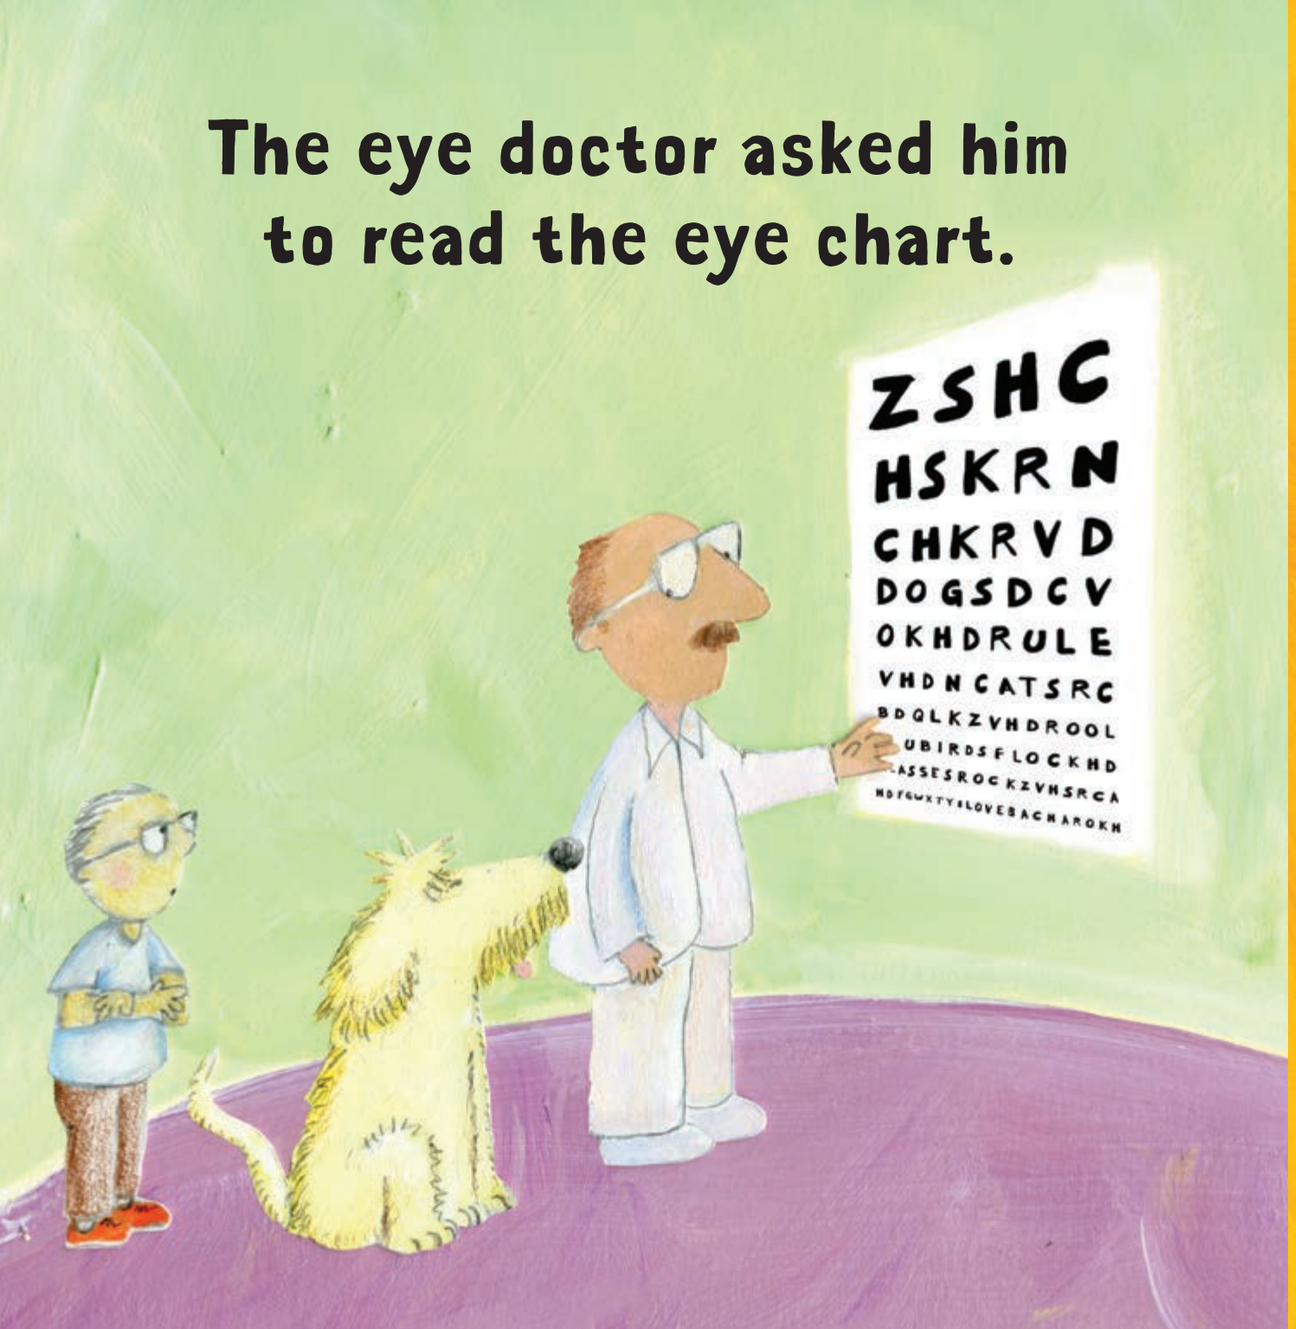
...or zoomed

...or whizzed



...or bopped him on the nose!

The eye doctor asked him to read the eye chart.



This is how the chart looked to me.

Now, Arlo loves to play catch again.

But there's something he likes to do even more...

The message is clear...

GLASSES ROCK!

So does Arlo!

Includes four pairs of try-on glasses to make you look like a:

- movie star!
- superhero!
- mad scientist!
- lovable mutt!
