ARLO

NEEDS GLASSES

*BARNEY SALTZBERG

**But one day, Arlo couldn't
catch anymore.**

Every time I threw the ball...

...it flew

...or zoomed

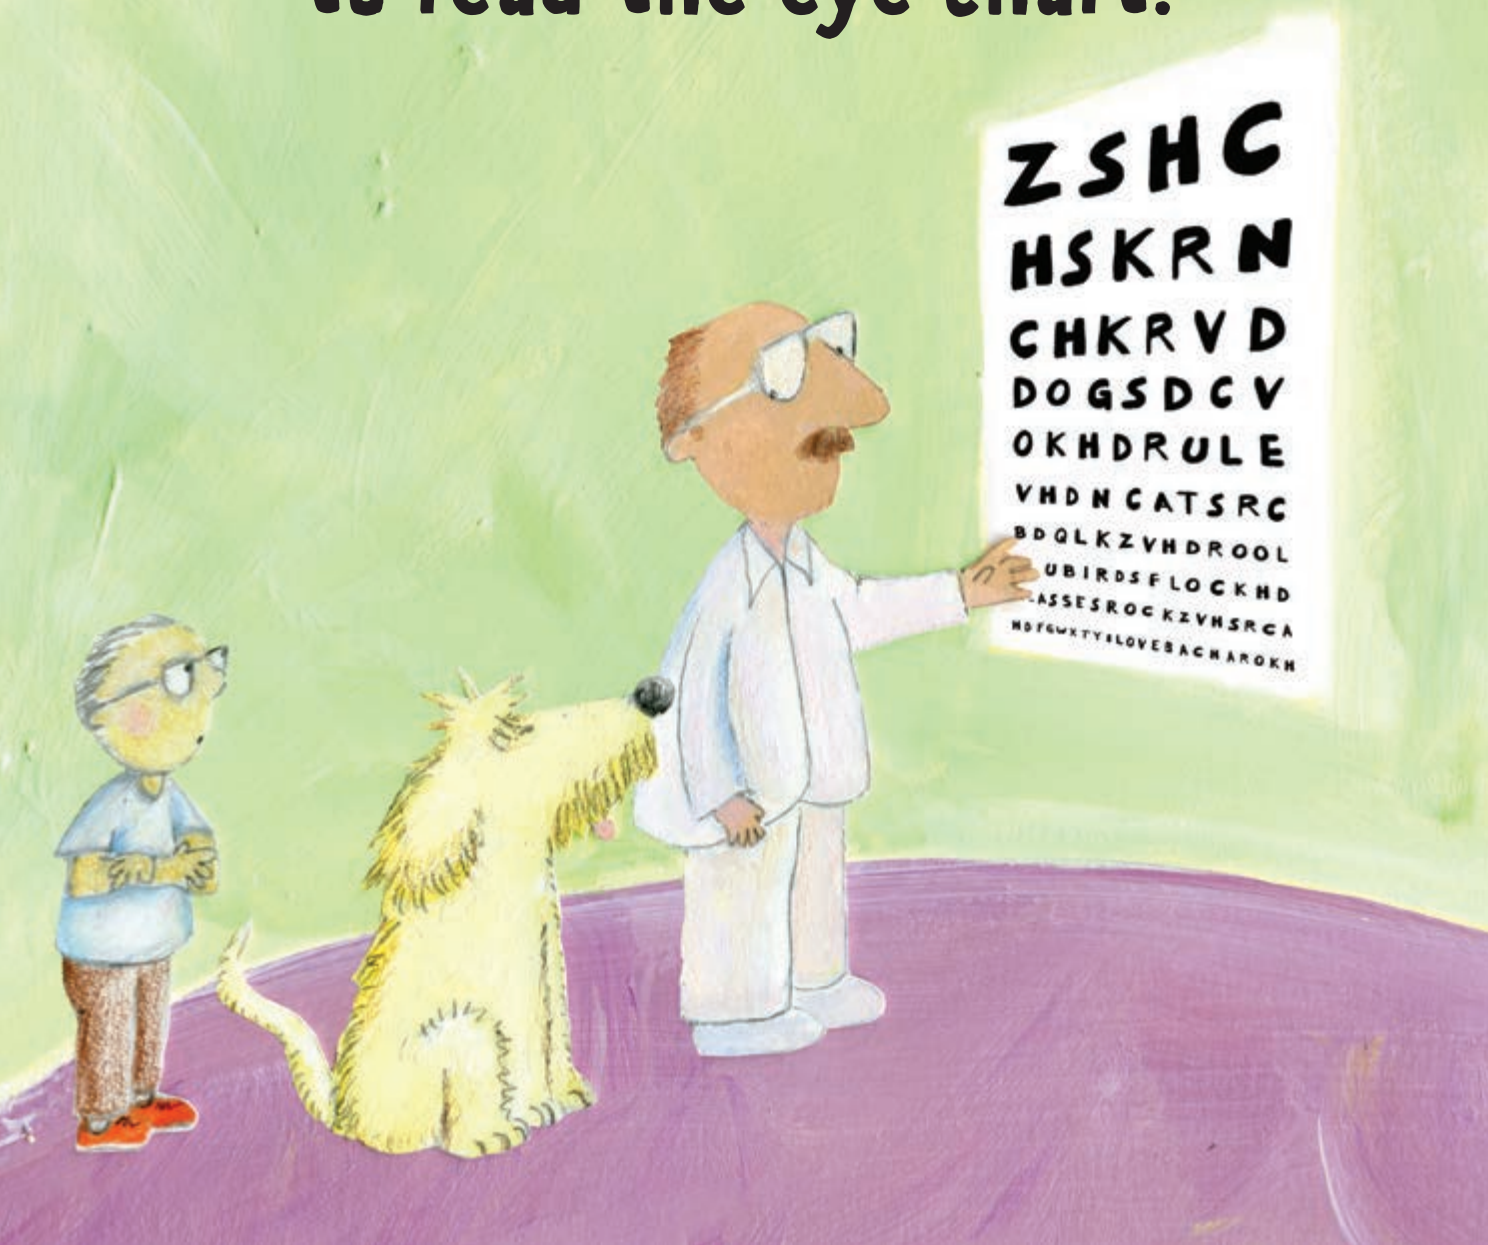

...or whizzed

**...or bopped him on
the nose!**

**The eye doctor asked him
to read the eye chart.**

This is how the chart looked to me.

**Now, Arlo loves to
play catch again.**

**But there's something he
likes to do even more...**

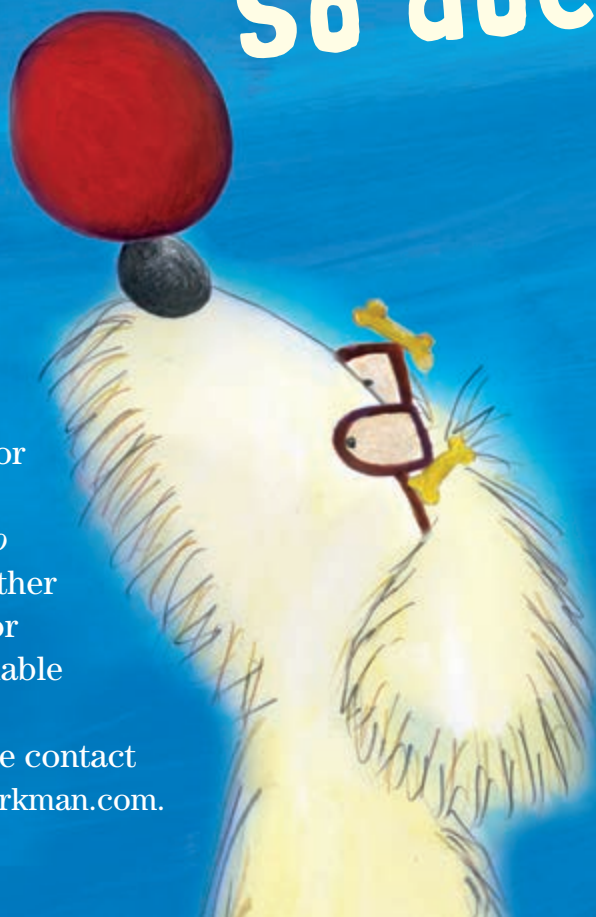

The message is clear...

GLASSES ROCK!
