Please print off and read at your leisure.

This is the shape of our eyes.

And these are the shapes we might see.

raaaa!

crunch!

tick-tock!

clink!

wibble-  
wobble!

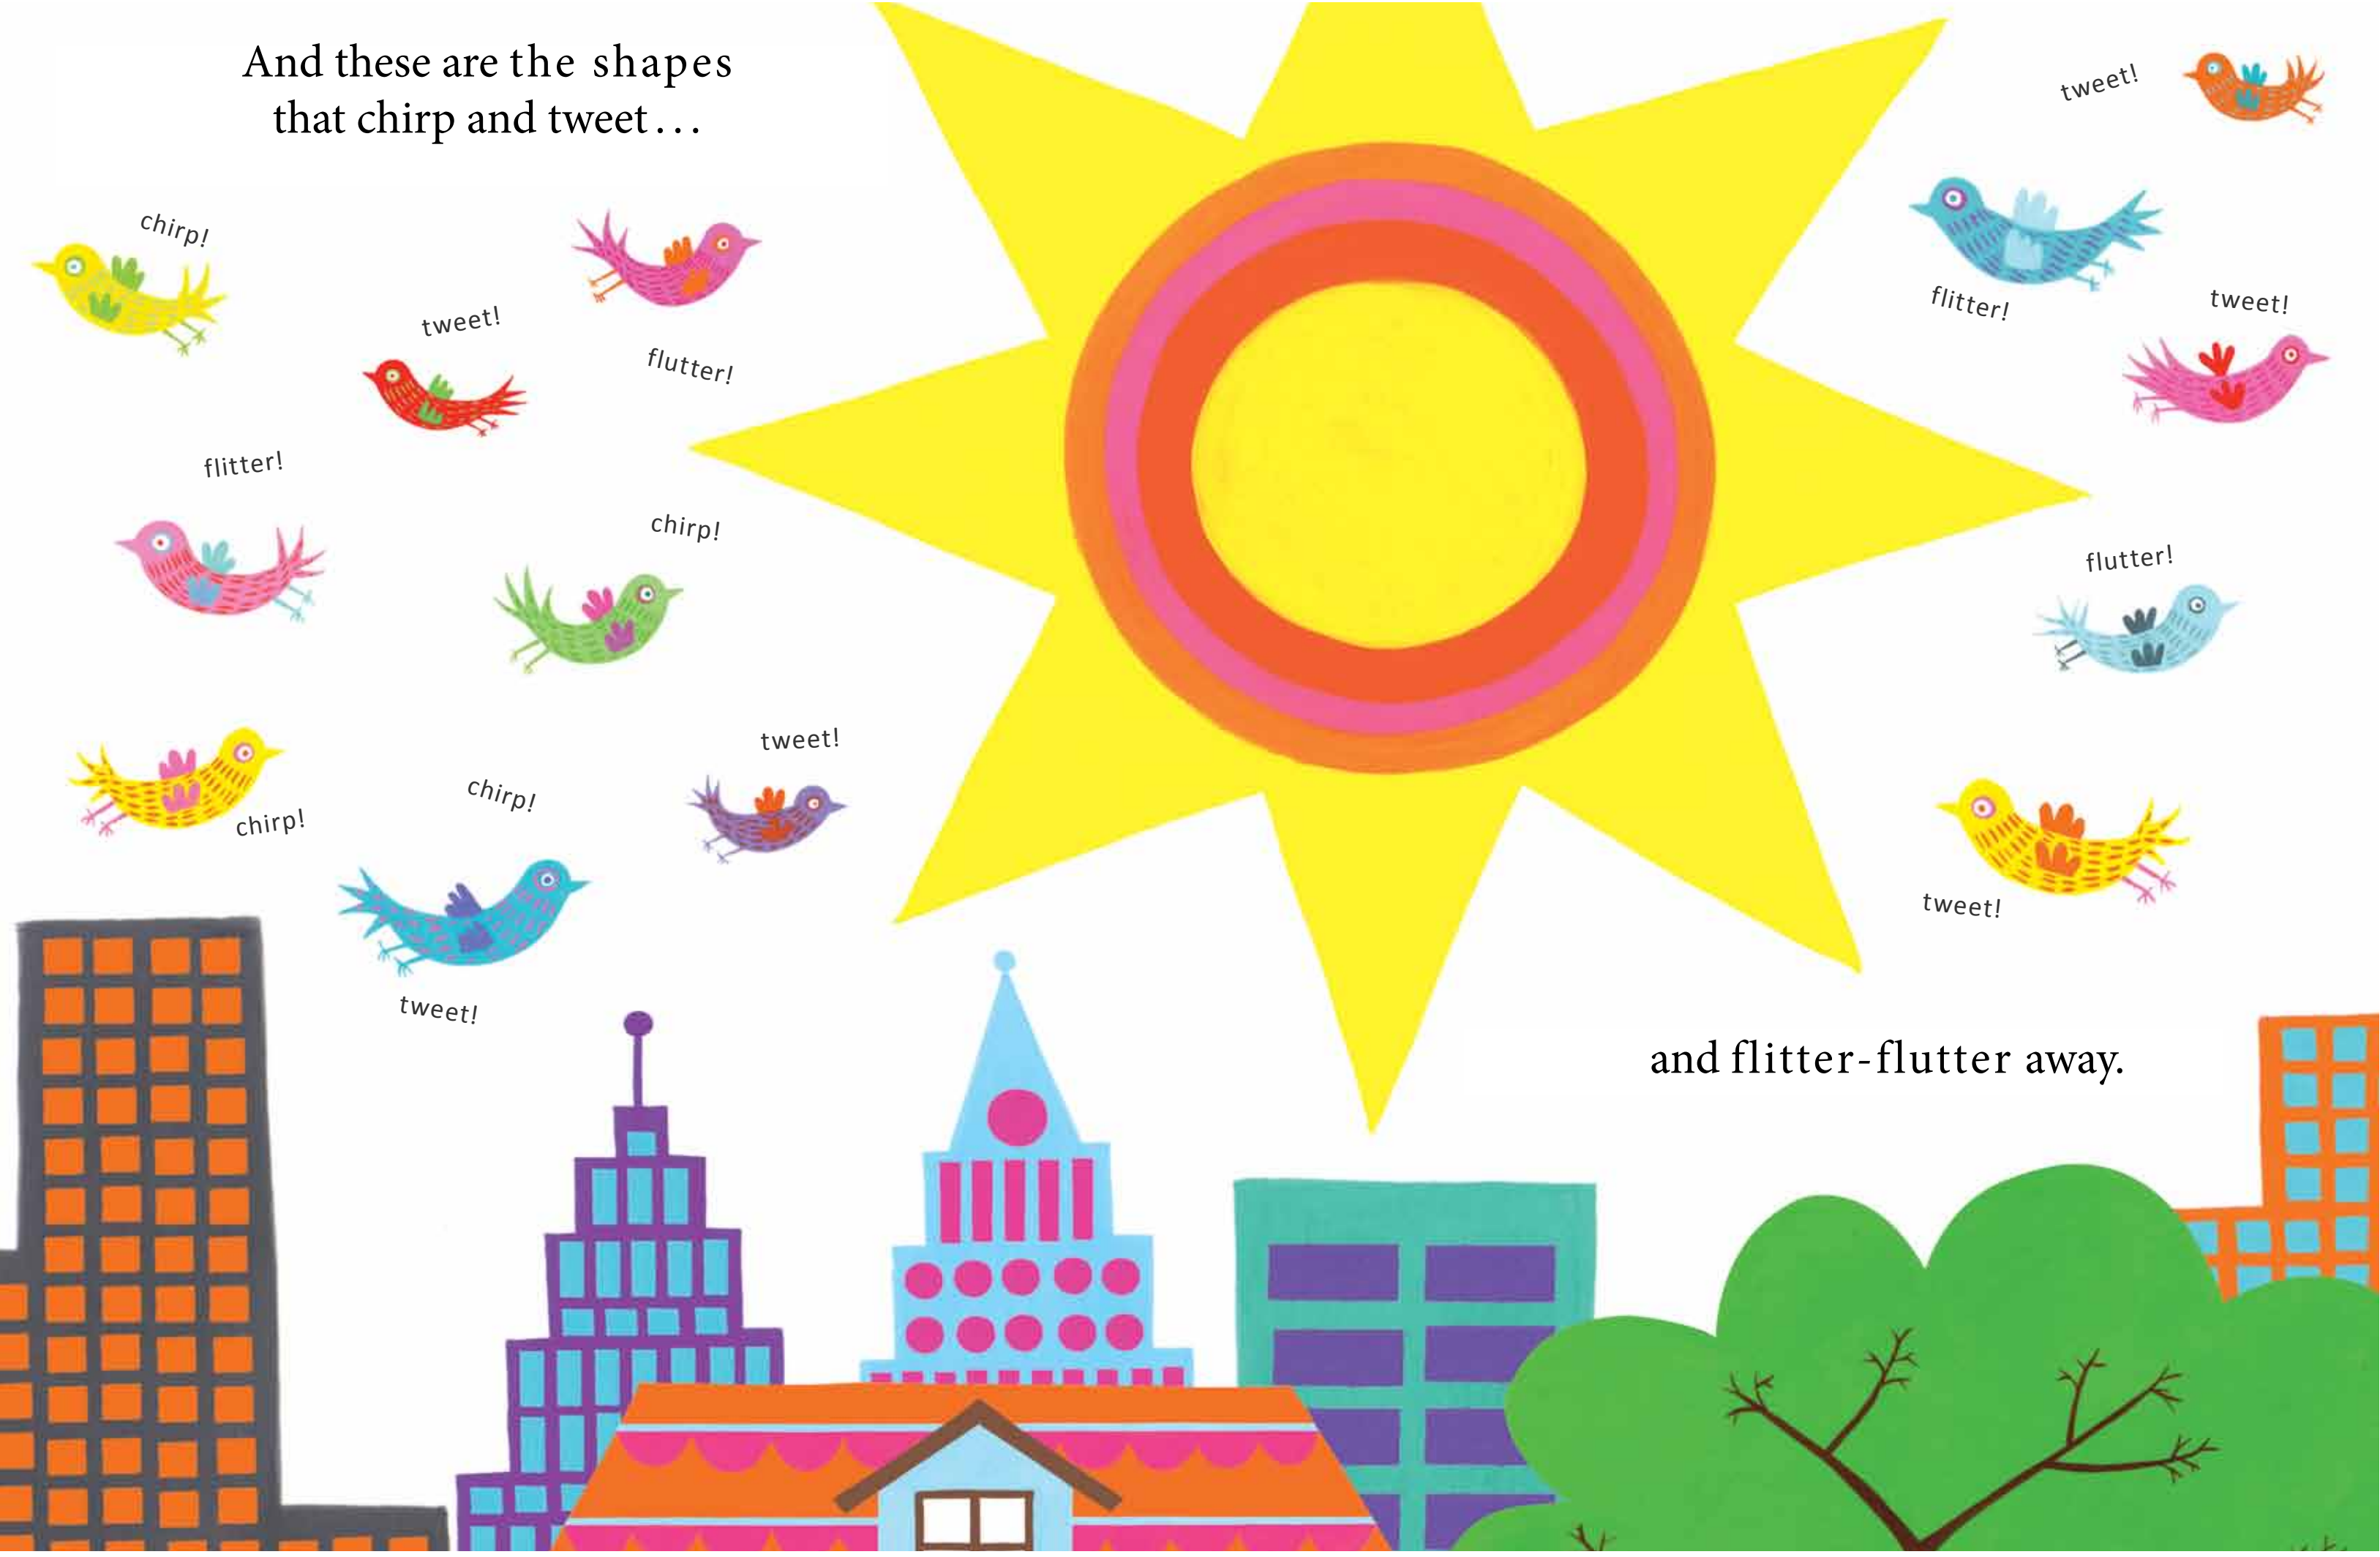

yummy!

splish-splash!

This is the shape of the sun,  
coming up to brighten our day.

And these are the shapes  
that chirp and tweet...

and flutter-flutter away.
