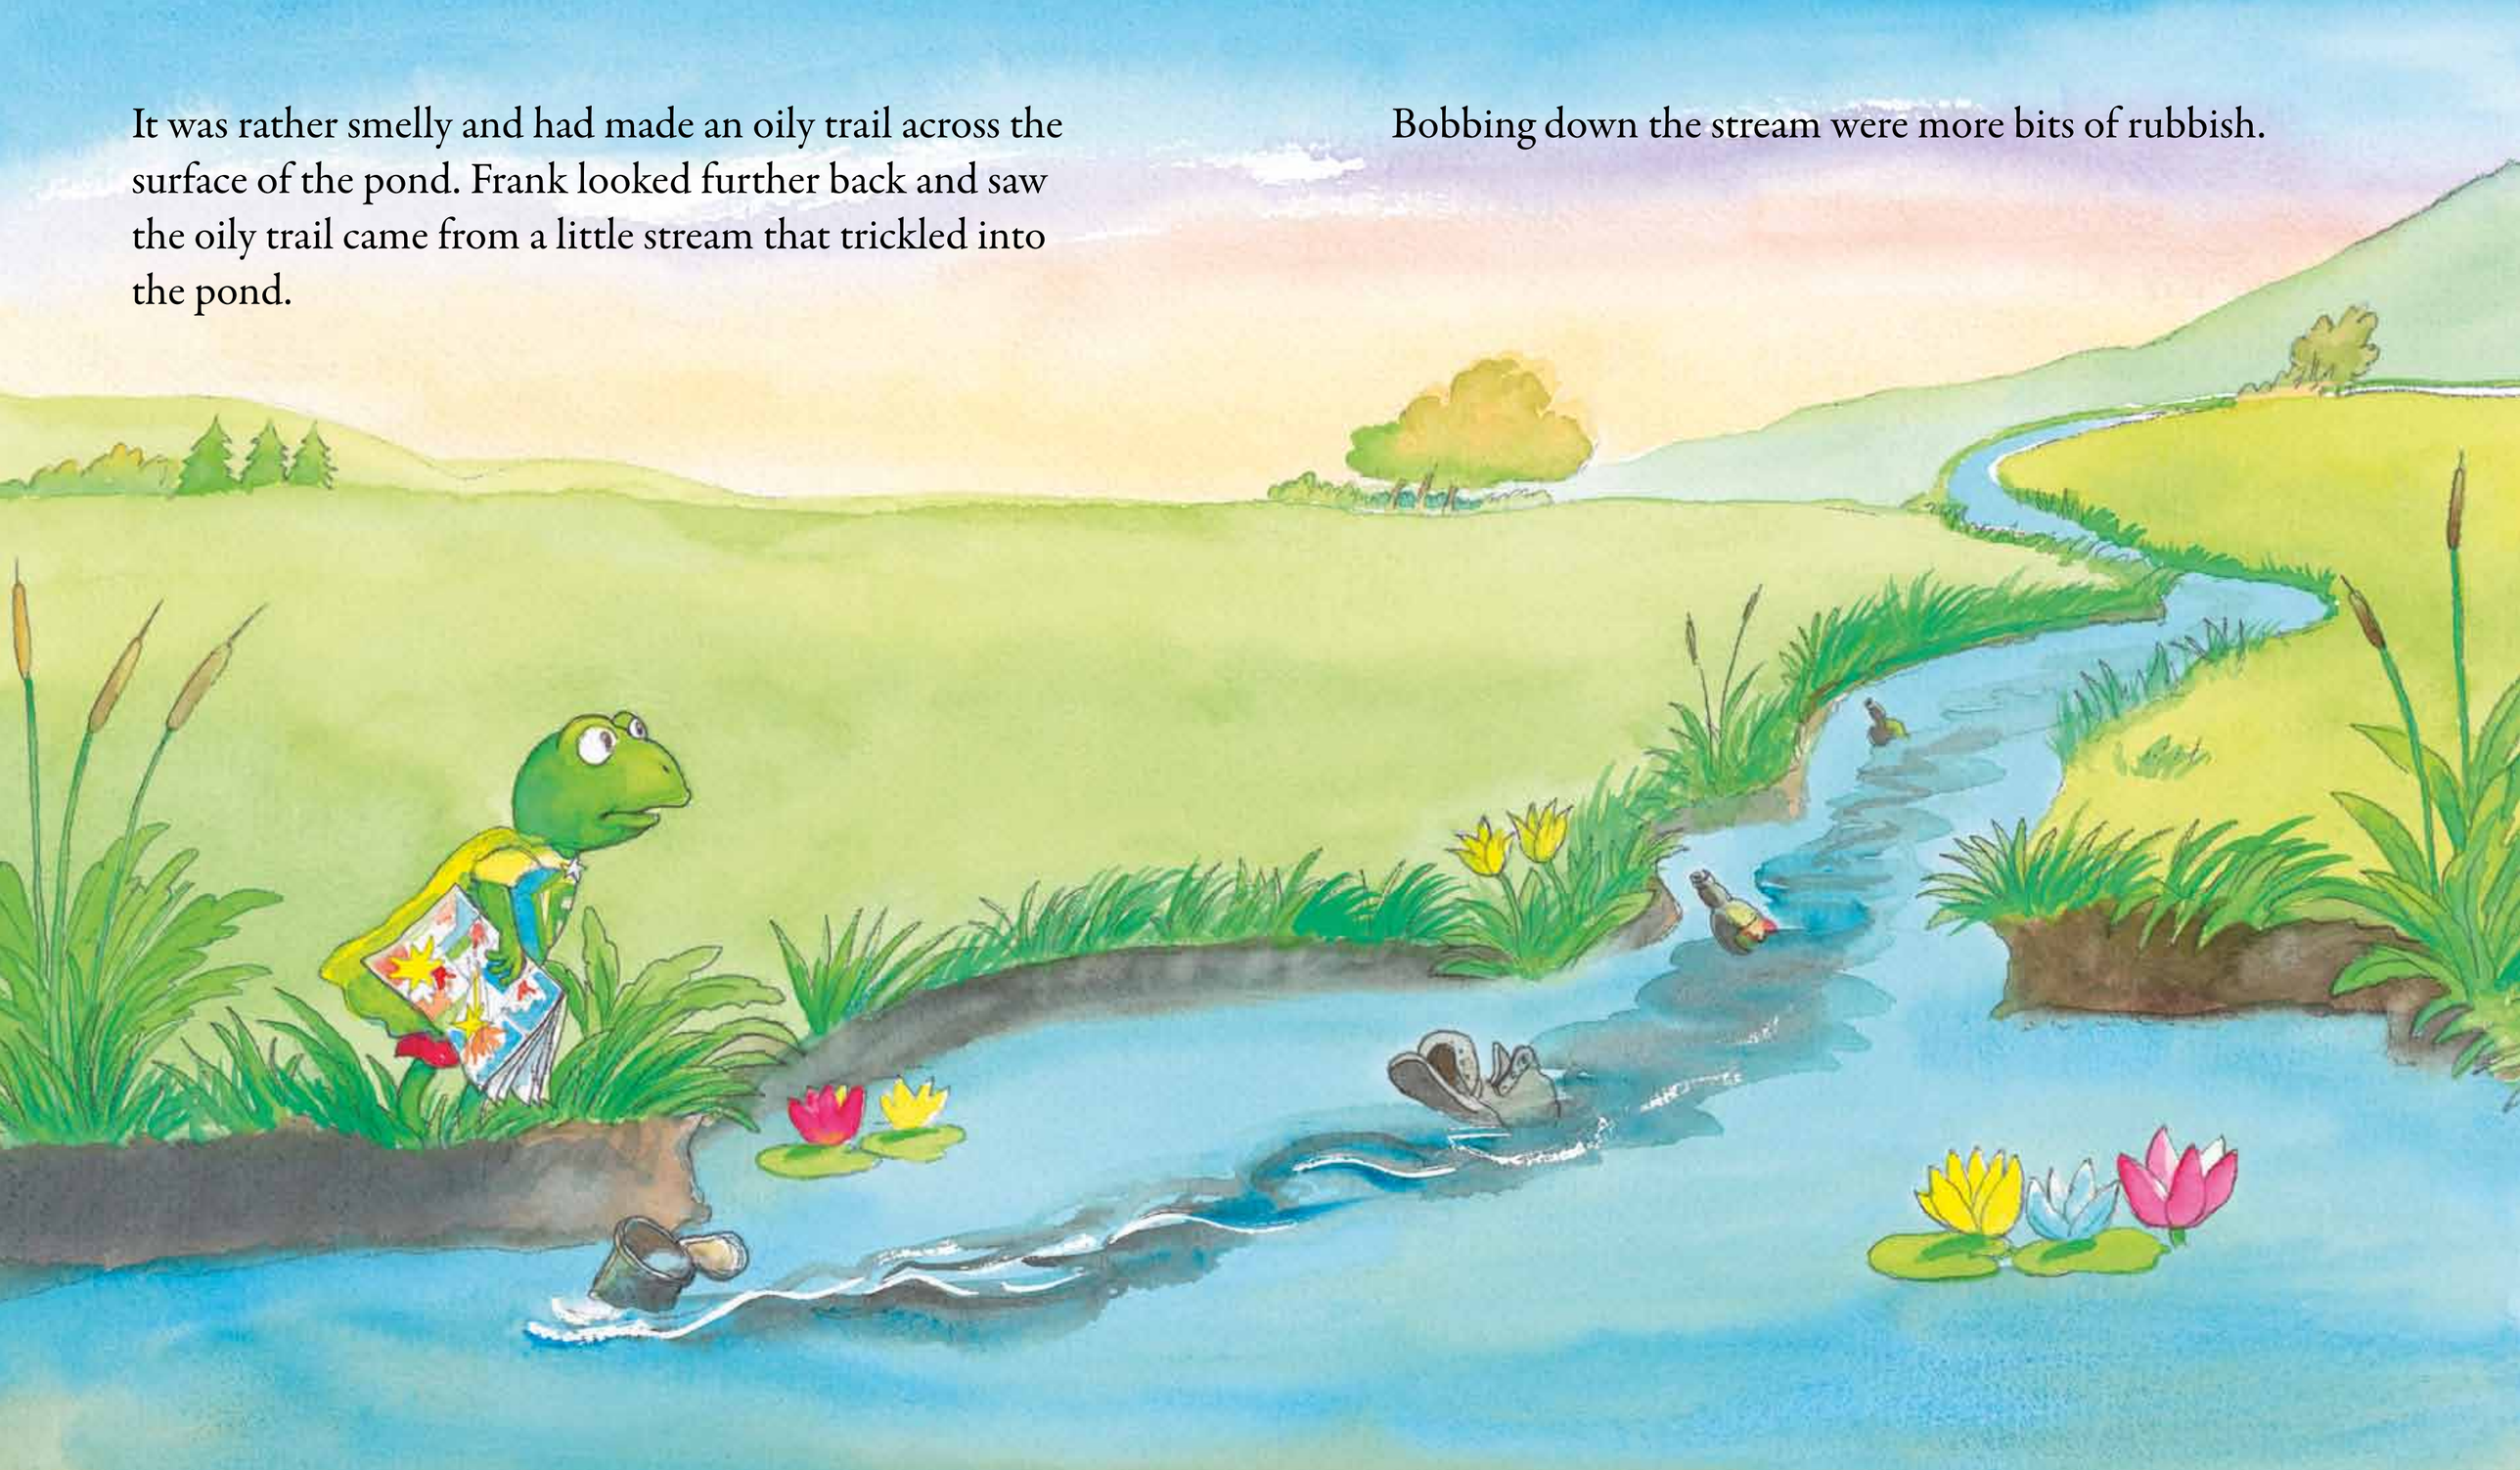
SUPERFROG AND THE BIG STINK!

MICHAEL FOREMAN

ANDERSEN PRESS

Frank, the frog, was dangling his toes in the pond
and reading his comic. He was enjoying the sunshine and
a story about one of his favourite superheroes who was
saving the world again.

Suddenly something bumped against his foot.
It was an old tin can.

It was rather smelly and had made an oily trail across the surface of the pond. Frank looked further back and saw the oily trail came from a little stream that trickled into the pond.


Bobbing down the stream were more bits of rubbish.
