Spring Flower

Make one to plant in a card to give to someone special.
Or make lots to sit in a vase.

Take a square of paper. Fold it in half and half again.

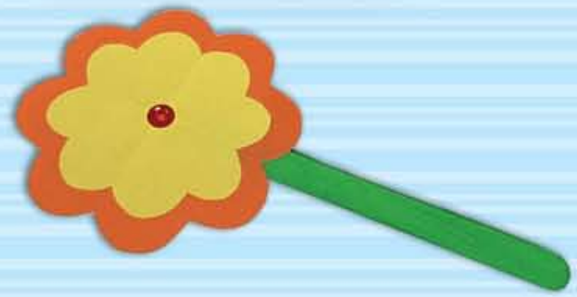

Draw a heart shape like this and cut it out.

Unfold. Now choose a smaller square in a different colour and cut a second piece.

You can make lots of cards, each one a bit different.

Unfold the second piece and glue it on the first.

Paint a craft stick for the stem. Tape it on the back of the flower.

Choose coloured card and fold it in half. Cut a clump of grass or a pot and glue it on, leaving a pocket for the stick.

Easter babies

Draw a line to match the parent to its baby.

Oh no! Whose mummy isn't there?
Find the sticker and draw the line.

Odd one out

Draw a line to match the pairs of Easter eggs.
Which one doesn't have a match?
Can you find stickers to make this blank egg match it?
Stick them on.
