“What will we do now, Rory?” said Ruby

“I can’t think of any more games to play.”

Rory couldn’t either,
he was feeling a bit sleepy

“Maybe Mum will know one,
let’s go and find her!!”

“Mum, will you come and play with us?”

Ruby asked. “We need a new game!”

“Oh Ruby I’d love to” said Mum,

“but I just need to change

Oliver’s nappy.”

So Ruby tried some
hairdressing. Then she
put Rory in a lovely
blue jumper.

“Mr Rory, you are beautiful!”
she said. “Let’s show Mum!”

Mum thought Rory looked very
handsome but she was still too
busy to play. “I just need to
make Oliver’s lunch,”
said Mum.

So Ruby and Rory decided
to do some reading.
Rory was a very clever
dog but he couldn't do
all the funny voices,
not like Mum.

"Mum, is it time to play yet?"
"Almost ready," said Mum,
"let me finish feeding Oliver."
