ROBOT RUMPUS!

SEAN TAYLOR

ROSS COLLINS

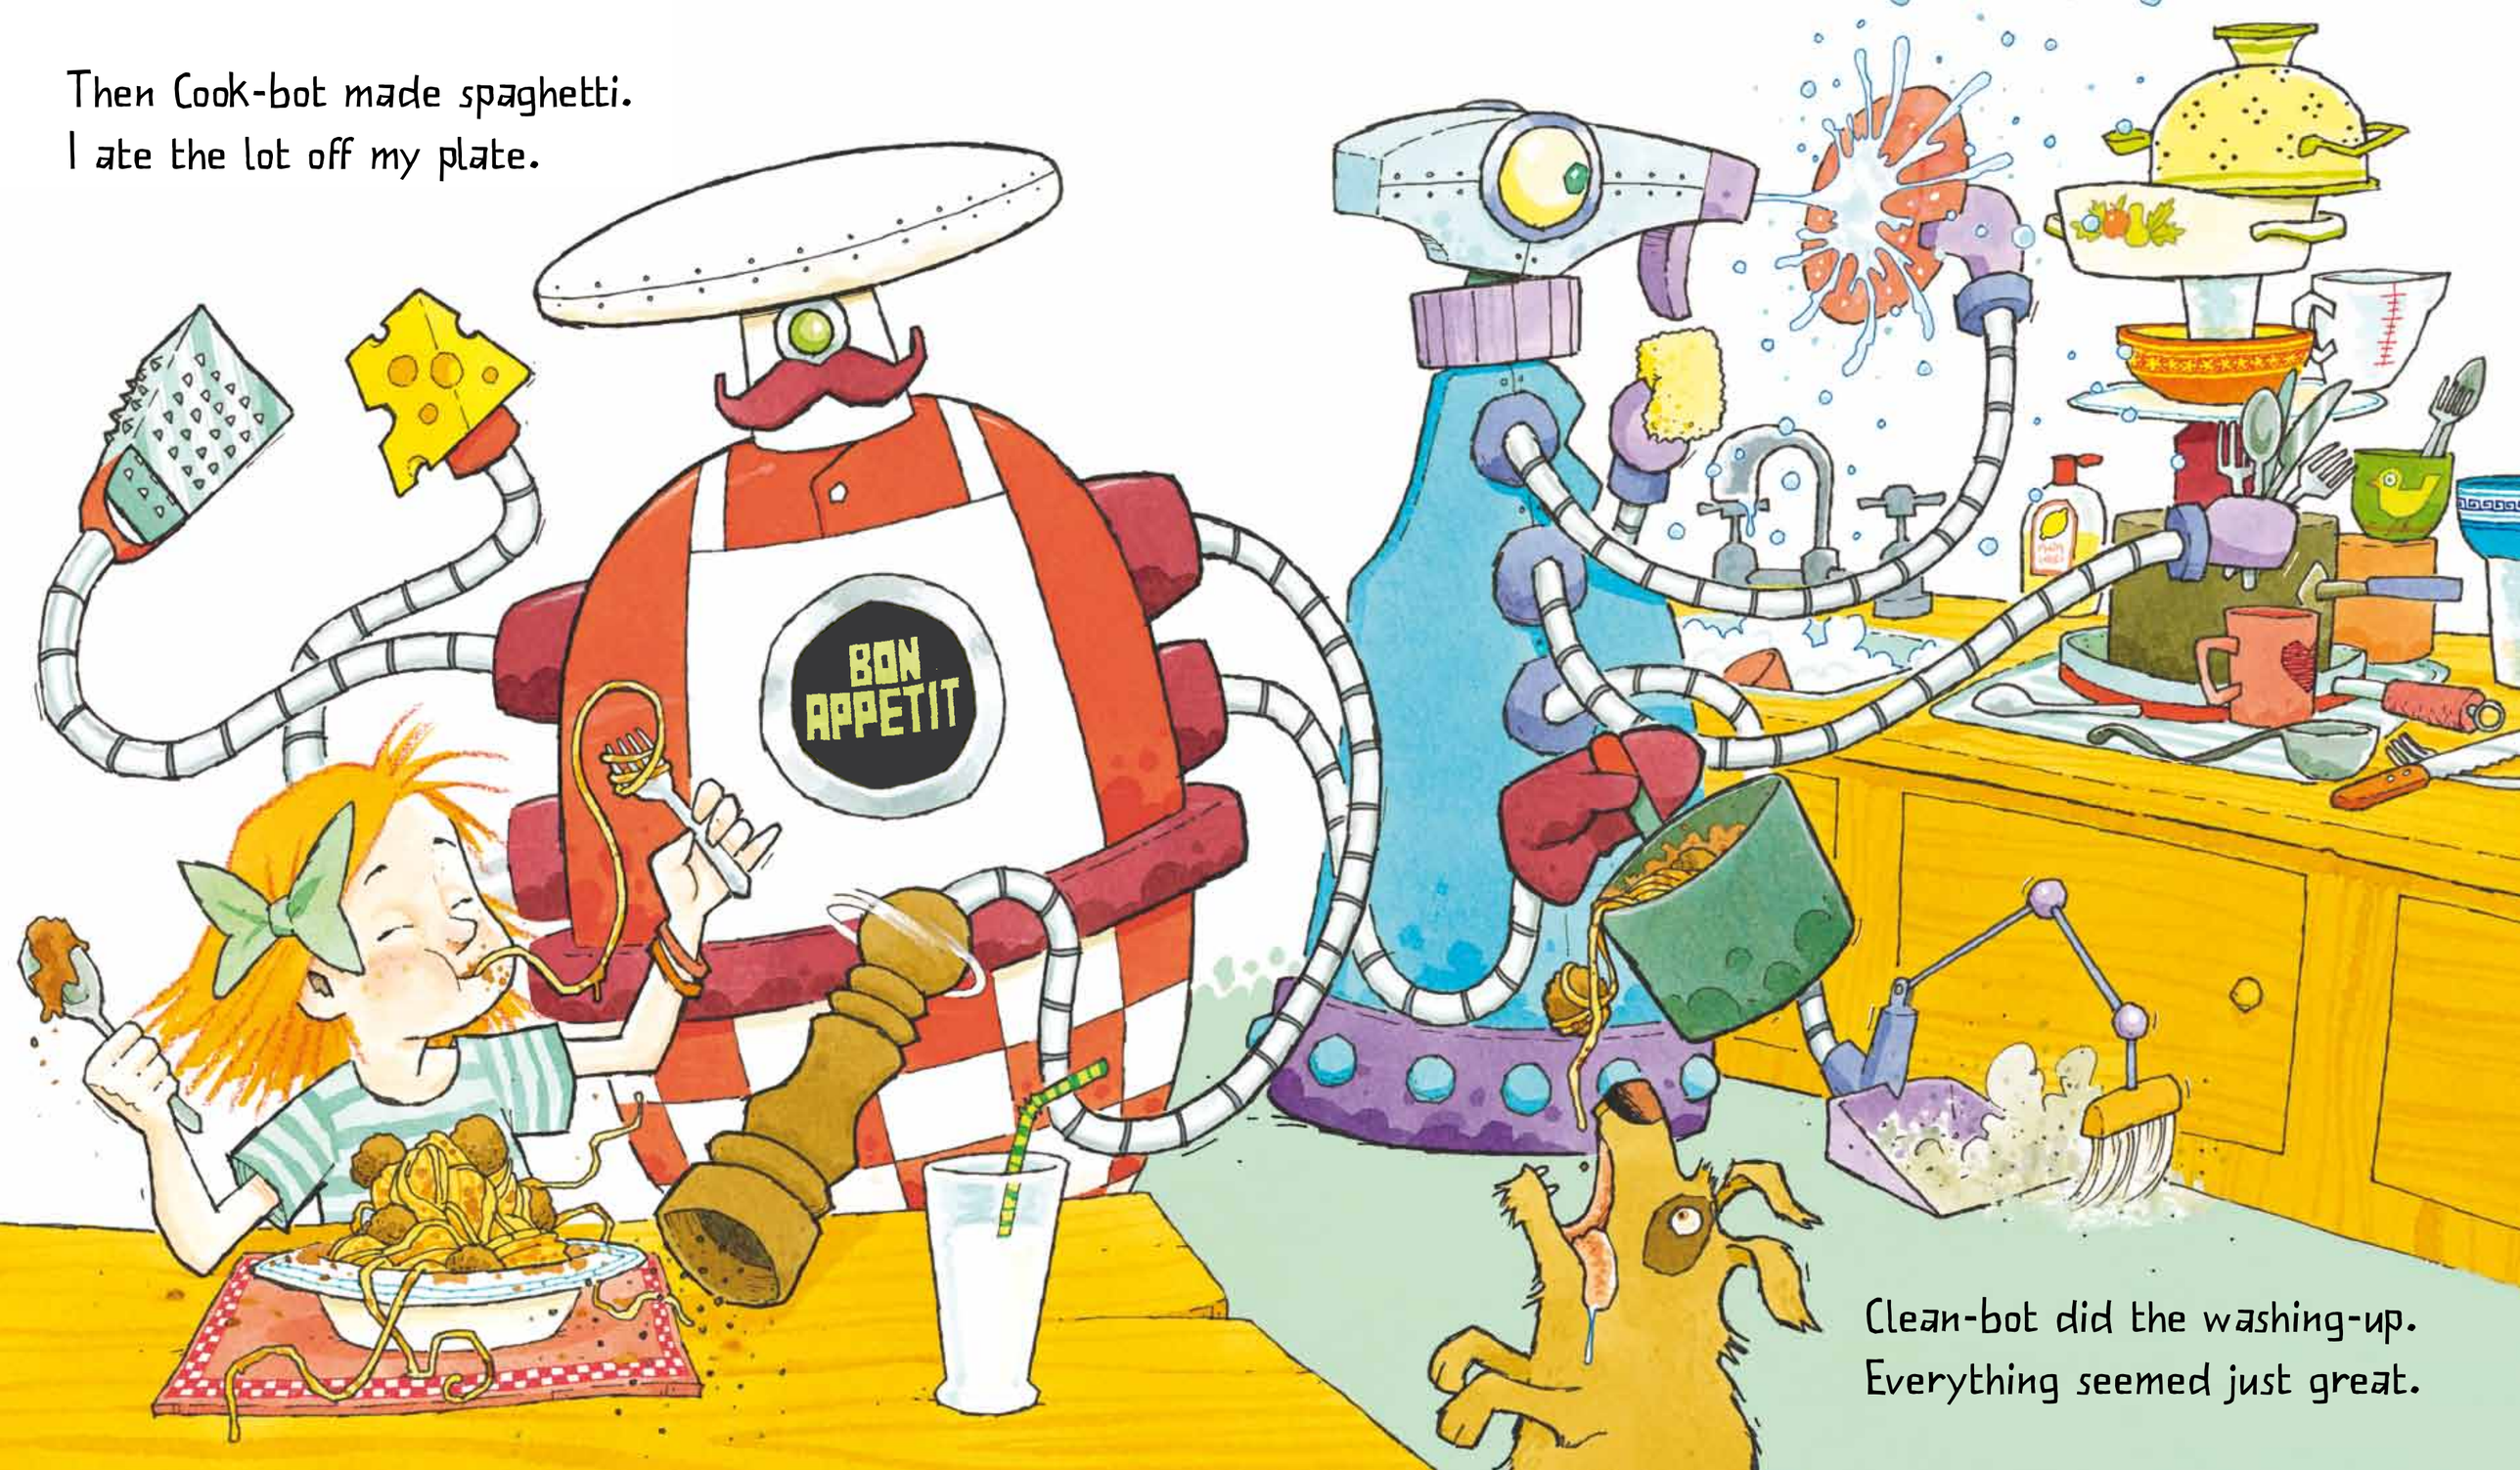

MANUFACTURED BY ANDERSEN PRESS

My mum and dad are busy.
So just last night they said,
"We decided to buy these fantastic robots
to get you into bed."

I thought they must be joking.
But Dad switched the robots on.
Mum said, "They're the latest models.
What could ***possibly*** go wrong?"

Then Cook-bot made spaghetti.
I ate the lot off my plate.

Clean-bot did the washing-up.
Everything seemed just great.
