LION

The lion is a mighty king.
He's sharp of tooth
And sharp of claw,
Fleet of foot
And loud of . . .

I do NOT
like
LOUD
lions,

How to make this page
less scary

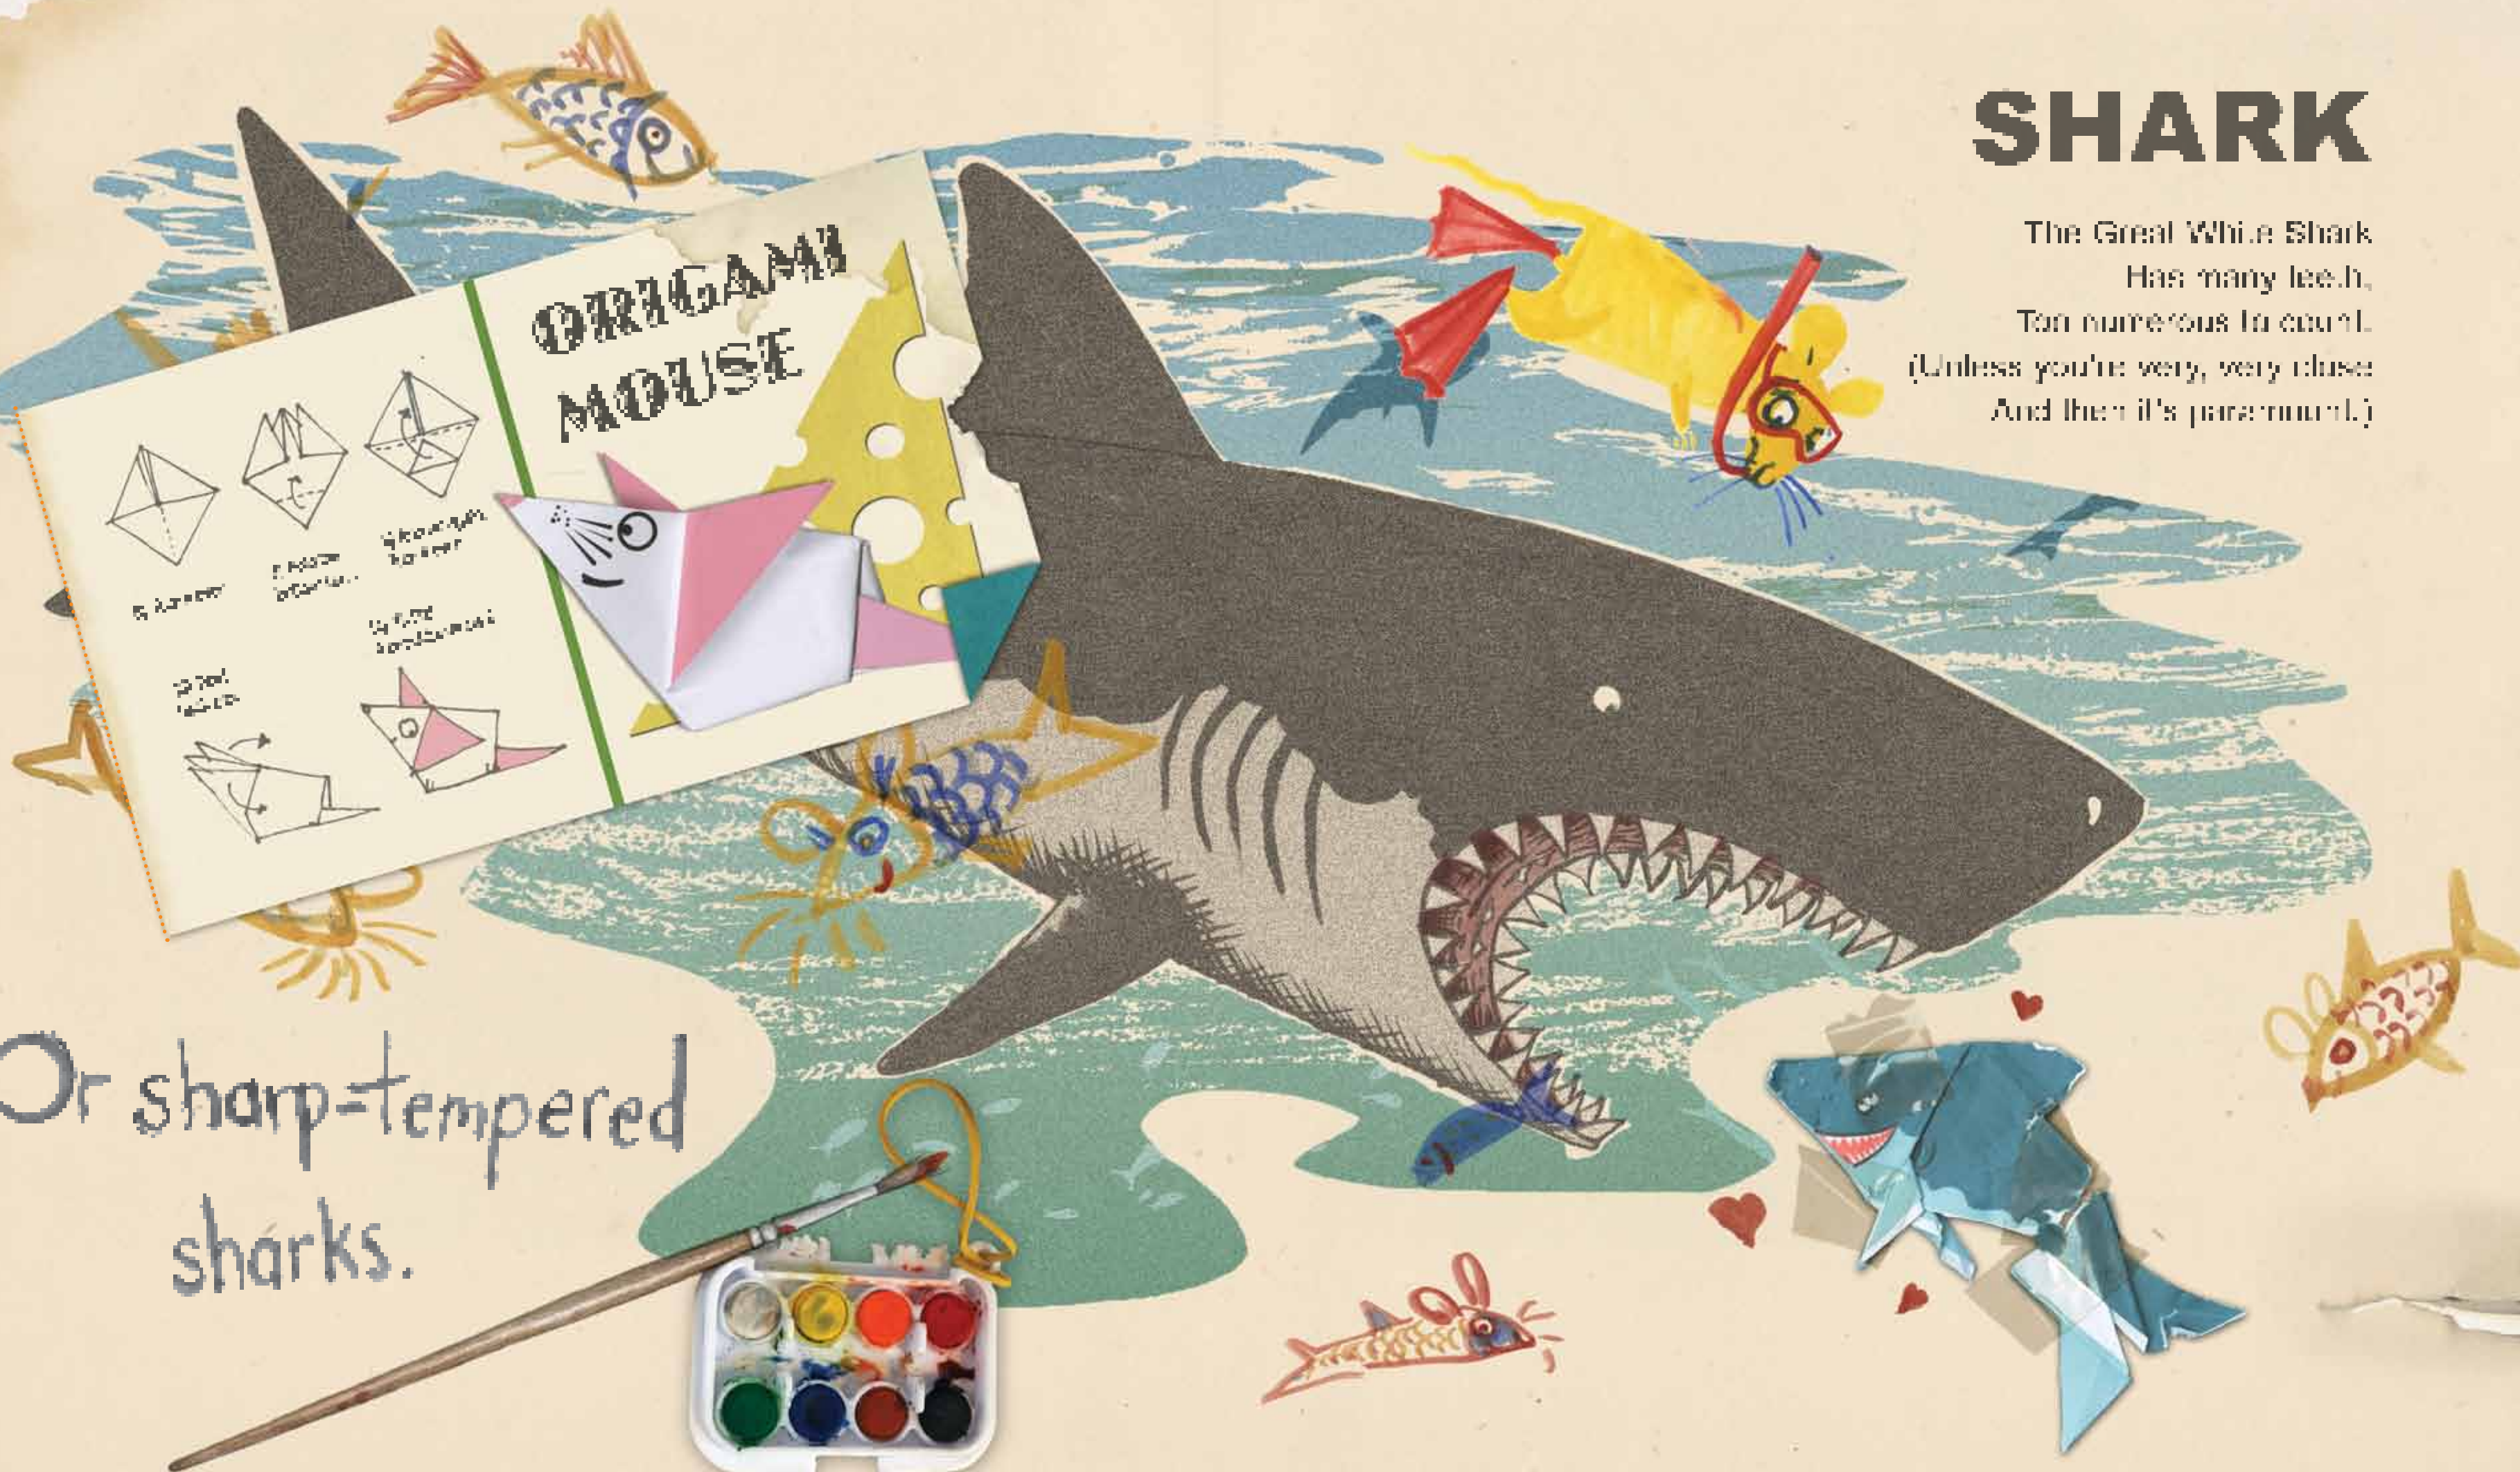

- 1) Remove roar
- 2) Cover claws
- 3) Turn the page

SHARK

The Great White Shark
Has many teeth,
Ten numerous in count.
(Unless you're very, very close
And then it's paramecium.)

Or sharp-tempered
sharks.

BEAR

The bear can be grizzly, brown, black or white,
And when angered he makes a formidable sight.
He can survive in forests, up mountains, on snow,
There are very few places a bear CANNOT go!

I think bears are
UN-BEARABLE,

WASP

The first you hear
When wasps are near
Is a buzzing in your ear.
The second thing
Is when they sting.
OUCH!

Wasps
Worry me,
