Look where Auntie Iris lives.

She's my favourite aunt. And sometimes my mum brings me over to spend the afternoon with her. But Mum says, "My nose twitches every time I get here. And when a chinchilla's nose twitches it means there's danger in the air!"

Auntie Iris just smiles and tells us, "There's no need at all to worry!"

But she does climb up the stairs in quite a bit of a hurry.

After all, on the FIRST floor there's a family of bears.

And every time we go past their flat they give us **HARD BEAR STARES!**
