Happy Birthday with ANT and BEE
is a story of advancing excitements
as day by day, during one happy week,
Kind Dog's (make-believe)
birthday approaches.

All my ANT and BEE books are for shared reading.
If a parent or older child reads the **black** words
then young children can join in the storytelling
by calling out the days of the week
printed in **red**.

EGMONT

One day Ant
and Bee heard
a lovely noise!

The lovely noise was coming out of a home.

Bee said the noise was PARTY noise!

They knew it was a birthday party because there was a birthday balloon!

Ant and Bee went to watch the birthday party.

BIRTHDAY
