Can you draw a web like
the one the spider has spun?

An alligator is looking at a pond.
Can you draw the pond, some fish and anything
else you imagine might be in your pond?

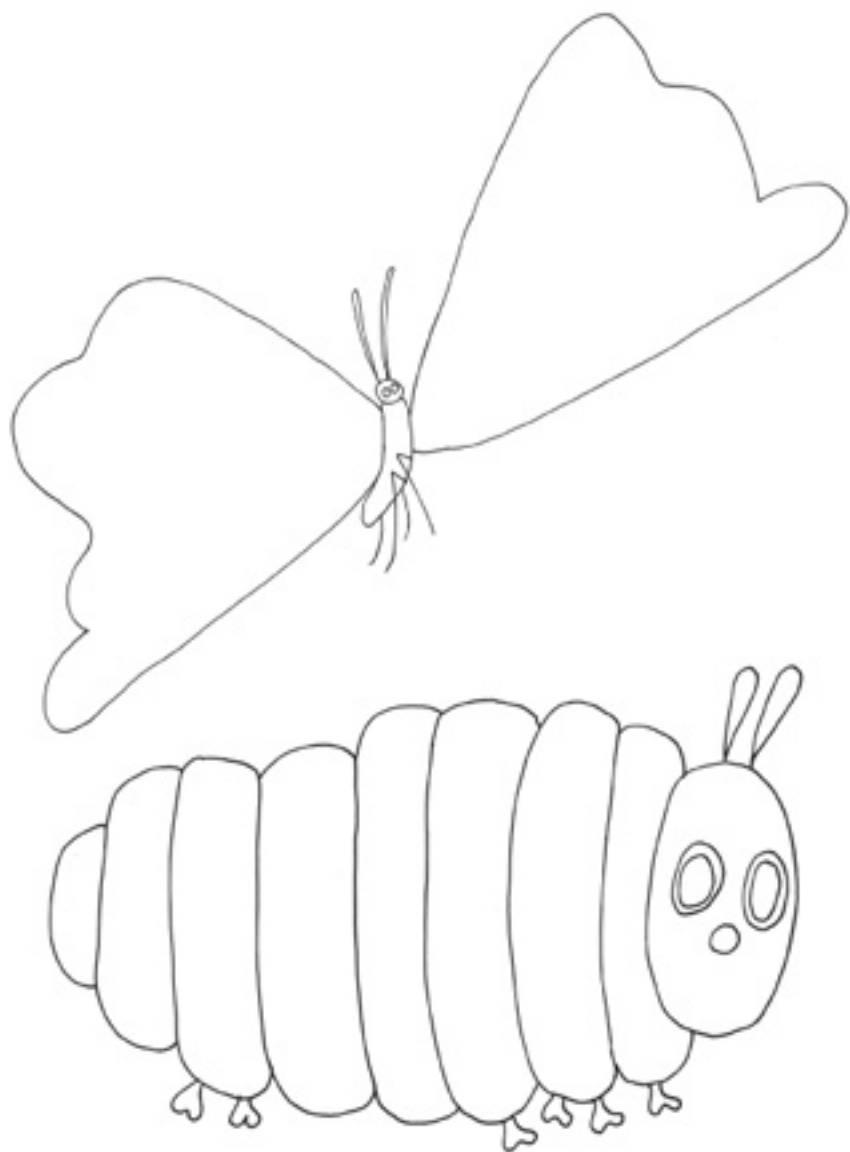

Try to draw a picture of the a hungry caterpillar as he is about to eat each tasty treat.

Can you draw and colour a red barn under the bright sun?

You might like to decorate and
colour in the butterfly and his friend.

A buffalo is brown.
Is there another brown
animal that you would like to draw?
