A vibrant, stylized illustration of a demolition site. A large yellow crane with a black lattice boom is positioned on the left, its cables extending towards a blue building. A black ball is suspended from one of the cables, ready to strike the building. The building is multi-storied with dark window openings, and its top is crumbling under the impact. A red and white striped caution tape stretches across the foreground. In the background, another yellow excavator is visible, and a red circular sign with a white horizontal bar stands near the building. The sky is a mix of blue and white with colorful speckles.

Swing the ball. Swing the ball.
Thump and smash and whack.
Bring the top floors tumbling down.

Bang! CLANG!
CRACK!
